**CONSUMPTION  
CAN BE CURED**

IS A FACT ATTESTED BY THE HIGHEST MEDICAL  
AUTHORITIES IN THE WORLD.

A careful observation of the laws of health, and the systematic and persistent use of Scott's  
Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda  
will accomplish this result. This preparation has all the virtues of these two most valuable  
specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we  
make the unqualified statement that Scott's Emulsion is being used with better results  
and endorsed and prescribed by more physicians for Consumption—and the diseases leading  
to it, such as Chronic Coughs, Bronchitis, Scrophula, Anaemia, General Debility and the  
Wasting Disorders of Children, than any other remedy known to medical science. The rapid-  
ity with which patients improve on this food medicine diet is truly marvellous.

**See What Physicians and the People Say About It.**

Messrs. Scott & Bowne: 66 West Thirty-sixth Street, New York, September 8, 1876.  
GENTS.—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during  
the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and  
efficacious.  
C. C. LOCKWOOD, M. D.

Messrs. Scott & Bowne:—Gentlemen,—Within the last year I have used in my own family, and in my  
private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites and  
found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate  
stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases.  
Oct. 12, 1879.  
Yours respectfully, A. H. SEXTON, M. D., Baltimore.

Messrs. Scott & Bowne:—Gentlemen,—Within the last two months I have fairly tried Scott's Emulsion  
of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind  
that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider  
it our most reliable agent, in a perfectly agreeable and elegant form.  
Yours truly, J. SIMONAUD, M. D., New Orleans, La.  
December 10th, 1879.

Messrs. Scott & Bowne:—Gentlemen,—In September, 1877, my health began to fail and my physician  
pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve,  
and early in the winter I began to lose blood and rapidly grew worse. In May last I was taken with a violent  
bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared,  
night and morning coughs, night sweats and short breath, and a return of the spinal trouble. My physician  
stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did  
me no good. I lost all hope of it and was an object of pity to all my friends. Last September I purchased a  
bottle of your Emulsion and before I was better I afterwards bought 1 after another bottle, with the  
following results: Coughs subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength  
returning, and my weight increased from 125 to 140 pounds in sixteen weeks. I have taken no other medicine  
since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet  
some friend on the street who asks, "What cured you?" and I answer, "Scott's Emulsion of Cod Liver Oil,  
etc." I have a friend who has not spoken aloud for 15 months, and he is getting better. I gave him a bottle  
and he bought two more, then got a dozen, and says it is food and medicine for him. He was given up to die a  
year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and  
shall do all I can to make known your valuable medicine.  
January 20th, 1879. Very truly yours, H. F. SLOCUM, Lowell, Mass.

Messrs. Scott & Bowne:—Gentlemen,—I got a bottle of your Emulsion and at that time I was so prostrated that no one  
who saw me thought I could live longer than a few weeks at most. I could retain nothing on my stomach and  
was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would  
stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced  
mending, and now am able to ride and walk, and am gaining flesh and strength rapidly. I have advised other  
parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.  
I am gratefully yours, R. W. HAMILTON, M. D.
