DINNER BELL MUSIC.

The music of the dinner-bell is always welcome to the healthy man or woman alike to the working man or woman who eats a plain meal at noonday, or to people of easier lives who enjoy a rich dinner in the evening. But the Dyspeptic there is no music in the dinner-bell—it calls him to a trial for which he knows he is unfit. No one can enjoy a meal, or get nourishment and strength from it, knowing that pain and distress will follow after. The true course, even for healthy people, is to help the digestive system, from time to time, with that excellent tonic medicine, Mother Siegel's Syrup. Mr. Michael Bureau, of Stanham, Quebec County, P. Q., writes: "For some time I suffered from indigestion. I had headaches which made life a misery. I could not sleep at night and after eating I felt a sensation of fullness and pains, with heart palpitation. I took no medicine for this illness except Mother Siegel's Syrup and was cured when I had used one bottle of it."

Washing Basier

You can do a big washing with half the trouble if you use Taylor's Borax Soap. It whitens, cleanses and sweetens the clothes, saves boiling and will not shrink wool, while the things look better and feel newer than they ever did before. Wash your things in the Taylor way.

John Taylor & Co., Limited, Toronto

TUB TALK No. 1

First get some Taylor's Borax Soap (1 cake will be about enough if you have been accustomed to using 2 of the ordinary kind). Do the woollens first because they take longer to dry. Make a strong sudsy using lukewarm water, and put in the flannels. Let them soak for a few minutes, then rub gently by hand. Don't rub the soap on the flannels and don't use a wash board. Rinse in lukewarm water wring out and dry as quickly as possible. Woollens washed with Taylor's Borax Soap never shrink, feel softer and look better. So a cake at all grocers'. Try one. It softens the water and won't hurt your hands.

This Well Known Gentleman Strongly Recommends "Fruit-a-tives" to all Sufferers.

"I have much pleasure in testifying to the almost marvellous benefit I have derived from taking 'Fruit-a-tives.' I was a lifelong sufferer from Chronic Constipation, and the only medicine I ever secured to do me any real good was 'Fruit-a-tives.' This medicine cured me when everything else failed. Also, last spring I had a severe ATTACK OF BLADDER TROUBLE WITH KIDNEY TROUBLE, and 'Fruit-a-tives' cured these complaints for me, when the physician attending me had practically given me up. I am now over eighty years of age and I can strongly recommend 'Fruit-a-tives' for chronic constipation and bladder and kidney trouble. This medicine is very mild like fruit, is easy to take, but most effective in action." (Signed) JAMES DINGWALL.
