

"What Shall I Do Then With Jesus, Who Is Called Christ?"

# Pilate's Question Is Yours To-day

THE Church is not impersonal. It is a company of individuals, each of whom has expressed determination to acknowledge Jesus as Lord and God, to accept His teachings and follow His example.

The Active Christians

Those who persist in the Way find their lives radiant with hope. They have an object in living. They are not plunged into hope- hearted? Do you realize that the Church in less misery by bereavement. They develop Canada faces unprecedented responsibilities?

character. They learn contentment. Being themselves men of hope and good-will, they are centres of hope and good-will in the world.

The Inactive Christians

Not all continue faithful. Many neglect to keep the Pattern before them. They cease to pray. They forego public worship. They become

only nominal Christians.

Their sympathies are on the side of Right, but they miss the full-orbed peace that comes from being obedient to the Heav only vision.

Aiding the Enemy

Apart from their own loss, lukewarm Christians do positive harm to hie Faith. Enemies never cite the lives of nota le Chris-

tians as a proof of the inefficiency of the Church, or of the Gospel it proclaims. If, therefore, all lukewarmness should disappear the critics of Christianity would be confounded.

Where Do You Stand?

You are a Christian. Are you ardent or careless? Are you whole-hearted or half-Canada faces unprecedented responsibilities?

You believe that the Gospel of Christ is a perfect solvent of selfishness and class-hostility. Will you do your part to give it free course?

A Great Possibility

"Righteousness exalteth a nation, but sin is the reproach of any people." If all the Church Members of Canada would begin today to follow earnestly the prin-

ciples enunciated by their Divine Master; if they would acknowledge their stewardship in full measure, the name of Canada would ring around the world. Therefore, the Question is

"What shall I do then with Jesus, who is called Christ?"

Hospital for Sick Children

Upkeep of Big Charity Requires Fift

Dear Mr. Editor:

The 44th annual report of the Hospital for Sick Children, Toronto shows a notable advance in every department of its service to the suffering and crippled youngsters of this province. The ward accommodation has been taxed to its capacity and the summer annex, the Lake time since the outbreak of war.

The daily average of cot patients from 192 to 223, including children from practically every county in Ontario. Even had the cost of sup plies and labor remained stationary the substantial increase in the num or the addition to the charity's debt which at the close of the fiscal year was \$109,000. This debt has become an embarrassing burden. Further increase must threaten impairmen of an enviable efficiency.

The Hospital is in the forefront of devoted to the care of sick children It cost \$335,399 to maintain last year. This great sum not only puts Sinn Fein at the service of the children of Ontario all the resources of medical cience, but, in addition, provides for a training school for 120 nurses and Herald Committed For fer the University students who are preparing to engage in their pro fession throughout the province.

The income which must be forth coming to finance this absolutely essential work figures out at seven hundred dollars a day; and, as there is no endowment fund, all but fraction of that amount has to be derived from individual benevolence Therefore the Trustees are making a Christmas appeal to every lover of period of time, no matter how shor ft may be. A minute of mercy costs

For churches, societies, lodges etc., who have more ample funds wherewith to assist the youngsters to a fair start in life, the naming of cots is suggested. A number of memorial cots have been thus dedicated in honor of the overseas service of fellow-members. This prigifts of \$2,000 to the Main Hospita or \$500 to the Lakeside Home, which can be paid in annual instalments i

Literature, illustrative of all branches of the past year's work, together with any other information desired, will be gladly furnished on Hospital for Sick Children, College street, Toronto. Contributions should also be addressed to the secretary. IRVING E. ROBERTSON.

When a man knows that he is again feeling well-the he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders, I give every pastent the benefit of the knowledge acquired through the long experience of a graduated, licensed and register ed specialist, in order to bring about the most satisfactory results in the shortest possible time.

NERVE EXHAUSTION A CONDITION AFFECTING MANY MEN-THE GREAT AM-ERICAN DISEASE - IT IS BROUGHT ON BY OUR MAN-NER OF LIVING-OUR WORRY AND HURRY - AMERI-

CANS EXHAUST MORE NERVOUS ENERGY THAN ANY OTHER RACE OF PEOPLE.

There are a great many men who need treatment for their nervous system. These men do not know what is the reason they don't feel right-why they can't work like they used to-why they tire so easily and why they are irritable, nervous, despondent, weak, pale and lack ambition. These conditions require the expert knowledge and treatment of a specialist who has had many years' experience in just such ailments. A specialist learns by experience to know just the right treatment at the right time so that the patient can be dismissed at the earliest possible time. Mer. affected with nervous exhausion have no endurance-no ambition -everything they attempt is an effort. Life to them appears as a long, gloomy future. Their appetite is poor and variable-they become irritable, cross and discouraged. They have pams and aches in various parts of the body and there is often indigestion and pains in the stomach. Sleepless, wakeful and restless nights fol-

RHEUMATIC AILMENTS

SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBA-GO, PAINS IN BACK, SWELLING, ACHING, PAINFUL CONDITIONS IN ANY PART OF THE BODY-INFLAMED AND SWOLLEN JOINTS OF LEGS AND ARMS - MANY OTHER SYMPTOMS.

Hundreds of men are suffering with some form of Rheumatism. Many of these men go from day to day suffering untold agonies thinking they cannot be cured. They have tried liniments, rubbing, massage, salts and other treatments without experiencing any relief, and they are now going through life thinking they are martyrs to that burden called Rheumatism. If these men could only know how easy it is to get rid of many rheumatic conditions I know they would not suffer another single day. Then all sufferers of rheumatism would be strong and healthy if they could get rid of the condition. Rheu matic patients are nearly all strong and robust before being attached by this ailment, and therefore it is so hard for the man to understand why he should suffer the agonies of such a condition. When a man gets rid of such a condition he feels that a heavy burden has been lifted from his life, and he starts right out to make up for lost time both in money and pleasure. When a man comes to my office suffering with the above condition he is given a most careful examination, and he is given treatment that he feels is giving him great benefit.
