Spring Tonic Aids Efficiency

LAY THE FOUNDATION OF GOOD HEALTH NOW BY BUILDING YOUR BLOOD, STRENGTHENING YOUR NERVES.

The good old fashion of taking a tonic in the springtime, like most of the customs of our grandparents, is based upon sound common sense and good medical practice. Winter is always a trying time, for those who are not in rugged physical health. Many men, women and children go through the winter on reserve strength they have stored up during the sunny summer months, and grow increasingly pale and languid as the spring days approach. A tonic for the blood and nerves at this time will do much for such people, by putting color in the cheeks and banishing that tired feeling at this season of the year.

It is impossible to be energetic if your blood is thin and weak, or if your nerves are frayed or shattered. You cannot compete with others if you do not get refreshing sleep at night, or if your appetite is poor or you are losing weight. You need a tonic at this time to add to your efficiency now, as well as to save you from suffering later on. And in all the realm of medicine, there is no safer or better tonic than Dr. Williams' Pink Pills. These Pills tone and enrich the blood which circulates through every part of the body, strengthening jaded nerves and run-down organs, and bringing a feeling of strength and energy to weak, easily tired, despondent, men, women and children.

Mrs. J. N. McNeil, Glace Bay, N.S., says: "For years past my home has never been without Dr. Williams' Pink Pills, and I have good reason to praise them highly. Following an attack of la grippe, I was left in a badly run down condition. I had no appetite and felt so weak I could scarcely go about the house. I was taking medicine, and it was not helping me, and a friend advised me to try Dr. Williams' Pink Pills. I used them for a time with the most beneficial results. My appetite improved, my strength returned, and I was soon able to do all my household work. I now use the pills every spring and find them a splendid strength-bringing tonic. I have recommended the pills to other friends who have used them with good results."

Dr. Williams' Pink Pills are a tonic not a stimulant. They build up the blood.

REMARKABLE CASE: POLICE INVESTIGATING: MAN AND WIFE HELD

BUFFALO, March 26.—Following a complaint made to the police of the Pearl Street station yesterday morning by Roy Coons of Carbondale, Pa. that his wife, Vera, nineteen years old, had disappeared while he was in a saloon at Pearl and Huron streets developments arose which culminated in the arrest of Norman Murray and William Kinney, who gave their address as the Men's hotel and the woman's husband. All are charged with inducing a woman to commit acts of prostitution.

Coons made his complaint Wednesday morning. He said he went into the place on Huron Street to purchase a package of cigarettes leaving his wife outside. When he came out he said his wife had disappeared. Questioned further Coons told the police he had arrived from Binghamton N. Y. yesterday morning and was to take a train for Cleveland, Ohio, last night accompanied by Lieut. Edward Thierfeldt, and Patrolman Edward Oberkan, the husband made a trip through numerous rooming houses but could find no trace of the wife. About 1 o'clock yesterday afternoon the officers and the husband went to the Lackawanna railroad station on the theory that the wife might be waiting there to take the train for Cleveland. As the officers and Coons were going into the station they met Mrs. Coons. She was taken to the Pearl Street station and a statement she is said to have made changed the complexion of the case and led to the arrests.

In the statement she said she was waiting for her husband when two men approached her and asked her if she had not lost a sum of money. She and through their use not only the disastrous after effects of influenza but also troubles due to poor blood, such as anemia, rheumatism, indigestion and the generally worn-out feeling that effects so many people, disappear. You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50. Write The Dr. Williams' Medical Co., Brockville, Ont.
