Oh! The Misery.

Mrs. Galbraith of Shelburne, Ont., was a of Maidan, the whole district being in Great Sufferer from Indigestion, the Bane of so many Lives—South American Nervine Released its Hold-It Relieves in one Day.

"I was for a long time a great sufferer from indigestion. I experienced all the misery and annoyance so common to this ailment. I tried many remedies and spent a great deal on doctors' bills without receiving and permanent benefit. I was strongly recommended to try South American Nervine. I procured and used it, after using only two bottles I am pleased to testify that I am fully restored to health, and I have never had the slightest indication of a return of the trouble. I recommend it mest heartily. Sold by GEO. E. HUGHES. GEO. E. HUGHES.

Friction in India

Recent advices from India indicate somewhat critical condition of affairs in that country. A Bombay despatch of ed his men and gallantly cut his wav August 26th said: It is evident that the Indian Government must face a lost several men, but reached the road grave crisis involving heavy expenditures and probable loss of life. The fall of Fort Ali Musiid was a serious blow, for it isolates Fort Lundi Natal at the extreme end of the Khyber Pass, which is garrisoned by 300 rifles, and necessitates the prompt reconquest of the pass. This will prove a most formidable task. The wildest excitement prevails among Hindoo traders at the board. Peshawur advices of the same date reported that a large number of Afrids, led by fanatical priests, attacked the Sepoys, massacreing 300, capturing their rifles/and then proceeding in large force to make an attack upon the British garrison on the lowrage. There is a very nnessy feeling in Quetta, where the troops are under orders to be in readiness to march to New Chaman, which is the extreme outpost of the Afghan frontier, southeast of Kandahar, and on the edge of the Nexistan desert between the provinces.

Henry Humphreys, East London, sends his unsolicited testimony: "I was seized with painful rheumatism in my left foot. I could not rest with it day or night, the pain was so intense. I tried many remedies, but they had no more effect on methan water on a duck's back. I was perion also won prizes of \$3 each in the latternation of Rev. D. The date of the ordination of Rev. D. J. McKinnon in St. George's Church, Grand River, East, has been changed. The ordination will take place on Saturday September 18th, instead of Sunday the 19th, as announced in our issue of Agriculture. doo traders at the board. Peshawur Kegistan desert, between the provinces of Toba and Pishin, Khyber Pass is with Afrids, and it is feared members of the London. England that the fall of Fort Maude has greatly council, are at Ottawa inquiring into encouraged the rebellous elements. A the government departments. The Simla despatch of August 28th announce special object of their mission is to ed that the Daulatzai tribe of Afridis near Kobat descended from the hills in atrong force during Thursday night and attacked and captured the village of Ublan, setting fire to the builtings, ly in London.

It turns out that Petersen, Tait & Co. were not notified from Ottawa that the imperial government had decided to grant a certain proportion of the subsidy for the fast line. The agreement stipulates that within two months of such notification the contractors must put up ten thousand cunds as evidence of their bona fides It is assumed that notice must have been given them either by the home authorities or Sir Donald Smith. Hence it is not known when the two onths will be up.

The Manitoba crop bulletin reduces somewhat the estimates of the wheat yield of the province that came earlier in the season, Instead of twenty-eight or thirty million bushels. it is now calculated that only twentyone and a quarter million bushels will be garnered, and a further reduction even may be made when the threshing is done. Even twenty million bushels of wheat, however, is a great production for a population of about two hundred thousand, and there are twenty million bushels of other grain to back it. Then there are good the situation. prices being paid for practically all farm products. Manitoba is likely to remember 1897 as a fat year.

The distress among the miners at Nasonville, Ohio, is very great. Mayor Buckley says 1,600 persons, the entire mining population of the town, have absolutely nothing to eat,
