average majority of the other

THE conference of represents

conciliation manifested through

out the formal inaugural session.

The events of the day were the

gathering of the ambassadors with

their extensive staffs and the one

hour session in which the Duke

of Almodovar, Spanish minister

emphasized the essential prin-

ciples of the sovereignty of the

Sultan, the territorial integrity of

Morocco, and the open door. It

was significant that both the

French and German delegations

heartily seconded the remarks of

the duke, thus forshadowing the

amelioration of France-German

agreed to make themselves com-

of camera shutters in the hands

of some thirty foreign photo-

envoys would result in the satis-

task imposed upon them. Herr

This Mr. Chamberin joint session for the purpose of electing a President of the Republic, in succession to President Loubet, whose term has expired and who declined renomination. The vote stood: Fallieres 446, Donmer 371, making Fallieres President. The President elect has been President of the Senate. The term is seven years, and the salary \$250,000.

On Monday, the fifth anniversary of the death of Queen Victoria was observed in London Windsor, and elsewhere by the depositing of wreaths on statutes erected to her memory and by impressive memorial services. At noon a memorial service was held at Frogmore Mausoleum, attended by King Edward, Queen Alexandra and other members of the Royal family. The mausoleum was open in the afternoon to those who had received tickets of ad-
