CLINTON AND VICINITY.
Seavoy.—Anniversary services in connection with the Methodist Church of Clinton, will be held on the 20th and 27th inst.
Comrades and Social.—The lodge of Oddfellows of Clinton intend giving a concert and social in the Town Hall, on Friday, the 12th inst.
Warrior.—On Thursday last a Steamer farmer brought to town a good sized fish, which he had taken in that vicinity. It was asking 6 cts per pound for fish, but purchases appeared to be scarce.
Deaths of an Hour.—The well known and very popular no faulting trotter around with the vegetable wagon of Mr. Pennabaker, and did other service for his industrious mistress for the last twenty-five years, has at last succumbed to time, like other old servants, and closed his career at the ripe old age of thirty years.
Funeral.—W. Whitehead, Esq., and family has returned from the North-West. He left Winnipeg on the morning of the 28th of Nov., arriving here on the evening of the 2nd inst. He looks better than when he left us, and his health seems somewhat improved. We regret to learn that on the journey Mrs. Whitehead met with a severe accident. The stage they were riding in from Winnipeg to Moorhead, overturned, and she was badly bruised. While she still retains the marks of the injury inflicted, we are pleased to note that she is able to be out, and we hope will soon recover entirely from the effects of the accident.—New Era.

LONG CREDITS.
After many years experience, I have come to the conclusion, that the Long Credit System now in use is a great moral evil, and have determined that from the 1st January, 1876, I will discontinue all long credits and sell only for cash or short date accounts.
I consider the present season a favorable one for making this desirable change, as we are now reaping the benefits of a beautiful harvest and fair prices, farmers and others should now be able to pay up all old accounts and buy in future for cash only.
Not wishing to take any advantage of any who are now running long accounts with me, I deem it necessary to give this timely notice, so that none might consider themselves harshly dealt with.
I would also take this opportunity of notifying all those indebted to me that all books and bills of long standing remaining unsettled after the 15th January, 1876 will be placed in the hands of a Solicitor for collection.
I also beg leave to say that my present general stock is now full and complete, comprising every thing usually kept in a general store, intending to please and would do well to give me a call before purchasing elsewhere.
I now return my sincere thanks to the general public for the very liberal patronage tendered me, and I trust by strict attention to business, fair dealing and low prices, to merit a continuance in the future of those favors so liberally bestowed on me in the past.
