THE HURON SIGNAL Is published every Friday Morning, by M of Gellicupty Bros., at their Office, North Stoff the Square)

GODERICH, ONTARIO.

And is despatched to all parts of the surround By general admission it has a larger circula on than any other newspaper in this part of the country. It is one of the raciest, newsiest and mos reliable journals in Ontario possessing, as it does, the fore-going essentials and being in addition to the above, a first-clas, amily and fireside paper—it is therefore a most desirable advertising medium.

TERMS.—\$1.50 in advance, postage pre-paid by publishers; \$1.75, if paid before six months \$2.00 if not so paid. This rule will be strictly enforced.

RATES OF ADVERTISING.—Eight cents of ine for first insertion; three cents per line for subsequent insertion. Yearly, half-yearly and quarterly contracts at reduced rates.

and quarterly contracts at reduced rates.

JOB PRINTING.—We have also a first-class jobbing department in connection, and possessing the most complete out-fit and best facilities for turning out work in Goderich, are prepared to do business in that line at prices that cannot be beaten, and of a quality that cannot be urpassed.—Terms Cash

FRIDAY, NOV. 2ND, 1883.

THE HON. A. M. ROSS.

It is with the greatest pleasure we inform our readers this week that West Huron has been honored by the appointment to a Cabinet position of her able and energetic representative in the Local day, November 10th, and feel certain House, the Hon. A. M. Ress. To-day that the constituency will be well and densed for reading in our paper. The (Friday) he will be sworn in as Treasurer faithfully represented by him in the delegate from Goderich, however, will of Ontario in the room and stead of time to come as it has been in the past, shortly give an address on the work and Hon. James Young, the previous incum- In conclusion, we cannot do better than ways of the convention, of which due bent of the position, who has been forc- quote his own opinion of the position

nually by Hon. S. C. Wood, yet the representative." most able defence of the Provincial expenditures was always expected from the member for West Huron. A pleasing feature in the present appointment is the fact that the position was wholly unsought, and that it was with the greatest difficulty Mr. Ross was finally induced to accept the portfolio. Now, however, that he has accepted the position, it behooves the people of Huron, of all shades of politics, to join heartily to strengthen the hands of the man who, in accepting an honorable position, has thereby conferred honor upon the constituency which he [represented.

The abilities of Mr. Ross are too well known in Huron,-and for that matter throughout Ontario, -to need enlarging the services of an able man, no matter ness of his heart, but simply because he keep up with the procession. We have upon at our hands. For years he has been one of the most successful local managers of the Bank of Commerce in Western Ontario, and in that position and Grits and Tories alike rejoiced when often deluded himself into the belief, brought into the Goderich market at the in a case of life or death they were to be had demonstrated that he was possessed West Durham sought his services. In that by giving to charitable purposes highest legitimate figures. Simply beabilities. If anything further was wanted to strengthen his position in these recipally to the fact that the services of the Many of these old tight-fists, who never the New Era has seen fit to rave, and spects, the fact that he has for the past Conservative Chief were deemed of value gave even a cup of water in Christ's utter absurdities. If that journal can't of the party accused. He hoped suffitwenty-five years discharged the duties to the country. COMMUNICATIONS. From Mathias Moore, of Delhi, re-pecting the establishment of a fruit can-

ing industry. From W. H. Skimmings, asking refrom Mrs. C. Shamon, widow, asking emission of taxes upon unoccupie

The street inspector's report showed the expenditure since Sept 28, to have been: Teaming, \$13 75; labor, \$160.23; street lamps, \$4.70. Total—\$184.63. The outlet of the main drain would be the better of 20 or 30 cords of river stone to protect the banks from slides and wash. A few loads of gravel will yet be

required, and all surface openings to drain cleaned of. If the big stove is put up again in the council chamber as it was, it will need a new side. Thus. Hoop, inspector.
The treasurer's report showed a balance a favor of the town of \$461.84.

ACCOUNTS. A number of accounts were presented

and referred to finance committee.
The council then adjourned.
