Will Not Strike in Sympathy. Fort William, August 25.-Reports that have come from the general meet-ing of trainmen held here yesterday te take some action relative to the strike of the C.P.R. mechanics, state that the men of the operating department voted by a large majority not to strike in sympathy with the mechanical trades. There are now working in the shops 52 men, and it is expected that additions to the ranks of carmen in the next two days will bring the entire number at work to over the entire number at work to over the day afternoon while bear hunting.

tion finding regarding the case of Morrisette the Megantic C. P. R. telegraph operator. The latest report from Ottawa is that the award is favorable to the telegraphers. A majority report is known to have been sent in to the government some time ago. The company's representative might delay matters for a time by withholding his minority report, but a reasonable time.

In a discharged and the load of buckshot lodged in his right arm and breast. Hamshaw carried him to the boat and they reached Vancouver at midnight. Brown died of the shock and loss of blood. He was a native of British Columbia and his parents live in Victoria.
