Mr. Daniel Saunders, of Shool Lake, Manitoba, is one of the best known gentlemen in Canada's great wheat country. He lived for years in the West—made a success of his farming—and has now retired from active business life to enjoy the fruits of his work.

When a man of such financial and social standing voluntarily testifies to the great benefits he has received from taking "Fruit-a-lives" there can be no doubt but that "Fruit-a-lives" deserves the confidence of every reader of this paper.
