Twice a year we receive surplus ends and cuttings of Serges and Cashmere Tweeds of the highest possible grade from a high-class English tailoring establishment. Our last shipment came to hand only this week, and we feel safe in saying that they are the best yet. Those who were fortunate enough to secure a length on former occasions will concede that "That's saying a great deal." MEN!—Can you afford to ignore a chance to save \$10.00 to \$15.00 on your Spring Coat? LADIES!—You may pay a wee bit more, perhaps; but oh! the difference in that costume. We have also secured a Bankrupt Stock of Laces and Embroideries and Odds and Ends. We therefore extend our Red Tag Sale to February 10th, so as to give you a final chance.

Public Utility Earnings.

A practical demonstration of the fact that the earnings of Public Utility or Public Service Corporations such as telegraph and telephone companies are not affected by depressions in trade, was evidenced in the great panic of 1907 and depression the following year. While, on all sides, the earnings of railways and industrial companies showed a marked falling off, the Nova Scotia Telephone Company, now owned by the Maritime Telephone Company, showed an increase of \$16,000.

This is one of the reasons why we are recommending an investment in Maritime Telegraph & Telephone Company 6 p.c. Preferred Stock. It shows stability of earnings, the best kind of assurance that dividends will be paid regularly.

The par value of the Maritime Telegraph and Telephone Company Preferred Stock is \$10. We offer a block in lots to suit purchasers. Prices and other particulars will be gladly furnished upon request.

Dear Sir,—When acknowledging receipt of the Company's cheque for my matured Endowment Policy No. 24937, I desire to avail myself of the opportunity to express my satisfaction with the outcome of my investment.

The policy was payable to me at age 60, with ten premiums of \$45.00 each. The return under it is as follows:

Sum assured \$1,000.00
 Dividends added 446.91
 Total amount payable \$1,446.91
 Deduct total premiums paid 450.00

That I should have insurance protection free for all these years and now have over twice the amount of my premiums returned to me in cash is a most satisfactory outcome and I heartily congratulate you on it.

Yours very truly, GEO. ROSS.
