### THE FAMILY SHOE STORE

THERE'S many a Family in this vicinity that calls this "Their Shoe Store," and no member of the Family ever thinks of going elsewhere for Shoes!

There's a good reason for this! We've been tested long and we've been tested often, and our record shows that

#### We've Never Been Found Wanting!

From Grandfather down to Baby—one and all come here to satisfy their every Footwear want.

People are constantly tying to this Shoe Store.

By the way, have you seen these special values we are offering in Our Spring Shoes? They are unusual values!

Our Men's \$3.00 or \$4.00 Shoes, Our Women Shoes at \$2.00 or \$3.00.

Our \$1.50 or \$2.00 Misses' Shoes, Our Boys' \$1.80 School Shoe.

If you'll take a look at these Shoes, perhaps you'll see, in a measure, why so many homes make this the Family Shoe store.

### SIX PER CENT. Mortgage Debenture Stock.

Desirable opportunity for a conservative 6 per cent. investment afforded by the Nova Scotia Steel and Coal Company's 6 per cent. perpetual debenture stock, which we offer at 98 and interest.

The company's property is admirably situated for economical production which is very essential in the Steel and Coal business.

The value of the company's property is appraised by a high official of the company at \$20,000,000. The debenture stock is a direct charge on all these assets, subject only to the \$6,000,000 five per cent. first mortgage bonds, thus leaving assets of \$14,000,000 as security for the \$3,000,000 debenture issue.

Write to-day for full information.
