ed some 60.000 but these have been JOHANNESBURG, S.A., To-day. To-day the first announcement was ade of the concrete action taken by augmented by escaped prisoners both from the Austrian and Roumanian armies, and the force now is said to number more than 100,000 trained and the Government since the crisis of last disciplined men under skilled military leadership.

FRENCH MAKE GAINS.

PARIS, To-day. In the sector of the southwest Soissons, the French have continued their gains, occupying La Grille Farm, advancing to the outskirts of Long Point, and penetrating the north sec-tion of Courcy, according to the war

office report. The statement says: South of the Aisne our infantry put an AMERICAN AIRMEN ACTIVE. WITH THE AMERICAN FORCES ON THE MARNE (by the A.P.) end to the enemy resistance at various points north of Chavigny Farm. We occupied La Grille Farm and the American pursuit machines, flying in guarries to the east. Our patrols pushed as far as the immediate outskirts of Long Pont and we penetrated the north section of Courcy taking resh prisoners.

ENEMY ATTACKS REPULSED.

EASTERN THEATRE, To-day There was artillery patrol activity est of the Vardar, and notwithstand ng the costly checks of yesterday at

the Cernnu Bend, the enemy again to day launched his assault troop troops against our positions north of Monastir but was repulsed with appreciable In the region south of the losses. Develi River, our troops continued

that statement, but there ought to be some decent and yet efficient methods

There seems to be no head nor tai to the process down here. The authorities may make a more business-like job of it in other places, but it surely s a hadge-podge, in Cape Bretor For instances, men within the ages of the present draft, 20 to 22, who have not been called, are liable to arrest as defaulters. Many of them would like to offer for overseas, and all of them would like to know where they could secure information as to their course of action. But nobody knows anything about the question, though the run-about officers are all trying to

ook wise. There is one very grave matter, for ceremony being performed by Rev. Fr. instance, which may any day lead to a

here only a few days or perchance a few months and having no knowledge whatever regarding our orders-in-council in connection with the operation of the act, are being arrested every day as descriters. They are not deserters in any sense whatever. But that is not the worst feature,—they are hustled about from prison to train

and from train to prison, by Military escorts, whose travelling expenses I have been informed are duly charged up against the so-called deserter.

up against the so-called deserter, The poor Newfoundlander soon finds himself inside a barbed wire en-closure, deprived of all wages until those transportation and other unne-cessary and irritating .charges .have been first satisfied; denied the privil-ege of even communication with his triends: and in many other ways is ege of even communication with fils friends; and in many other ways is taught to appreciate the value of our vaunted democracy. When the Gov-ernment of Newfoundland discovers how its people are being treated in Nova Scotia we shall look for some in

teresting developments. Colored men, too, from the British West Indies are rushed about and im-prisoned and punished somewhat afer the merciful manner in which the Newfoundlander is treated. In the case of the British West Indian, he could not have had any means of be-

ing acquainted with the provisions of
