W.J. HERDER, - - - Proprietor

SATURDAY, August 16, 1919.

A WARNING!

It has often been remarked that a merciful providence has endowed the vilest and most dangerous of the brute creation, of which the rattlesnake may be taken as a specimen, with actually do this. some mark or distinguishing attribute by which infallible warning may be given to all that meet them of their real nature. Similarly, among mankind the gatta Committee it was decided that stop. mischief that might else be the remainder of the races be run off wrought by low and base minds be run on Wednesday afternoon, or is happily often frustrated by dinarily, but on that date the Church the obvious malice which in- of England Garden Party will be held, spires the very expression of and so, in deference of that, it was their thoughts, and which they decided to wait until the following here yesterday for our late beloved seem unable to conceal.

peared, before his visit, in the cheering crowds and hurrahed that for two half holidays, one follow more loudly than any, before ing the other. slinking away to cogitate some new and more despicable slander. But when the offence, contempt which it excited, is

time to call a halt. The contribution that daily graces the editorial page of this its readers find it so; if so, we distinguishes it an original one; as might be expected, it may be soil on a road so much used? Verily, found over and over again.

Apart from the serious nature of the publication, which was a criminal libel of the most flagrant and gravest kind, it would have been some slight extenuation of the offence if there had been the smallest vestige of logic or reason in it. But of this there was not even a pretence. It was published list will close on Aug. 20th so intendwith the plain purpose of bring- ing exhibitors will kindly apply to Mr. members of the Wanderers that a son ing its royal object into contempt, and the name of the Minister of Justice was irrelevantly Prizes are \$5.00 to the driver 1st; their stock at a salary consisting of coupled with it as if with the \$3.00 for 2nd; \$2.00 for third prize, considerable honor and glory but also, we presume politically. If the winning horses. it is redeemed by anything, it is by its sheer silliness. If it be a crime or a disgrace for an Englishman to confess to German blood in his veins, no matter from how many generations town, Manchester, England, owing to back derived, the Star will, we his failing health, has written to assume, by a reverse process of friends in the city, saying that he is reasoning, exculpate and put much improved since his arrival home. upon a pedestal many Germans, He also stated that he had visited first among them the Kaiser, wandsworth Hospital, our Newfoundland soldiers are still because of the English blood in detained. theirs.

exalted rank of him who is the logna Sansage.

subject of the attack forbids him to repel it, or to stoop so low if he could. But others not so exalted are charged with the duty of doing so for him. It is familiar and less gentle name.

A Suggestion.

Many people noted the excellent impression created by the placing of a few trees in front of the Court House and many are asking why trees should not be planted in the same Capt. Parsons of the S.S. Sagona:and a neat iron fence stretched the good appearance of the building, Sandy Harbor to Indian Tickle." which contains so many offices and departments of importance. The Court House building is one that should be pointed out with pride by the citizens and if the suggested improvements were made they could the Southern Shore on Sunday, one

The Nationality Question

Editor Eening Telegram Dear Sir,-I read the letter in yesterday's issue on nationality, and it interested me very much. There are two theories so far, and to them wish to add my own. In my opinion, would be that of its parents. It is a tain nationality who are at the time to understand, as many things that of its birth living in some foreign country is the same as its parents. For example: Lord Roberts was born in India, were his parents, of Irish birth, were stationed with English soldiers. Lord Roberts was Irish. If on land, why not on sea?
