Charm of Motherhood

THERE are many I homes once childless that now are blessed with healthy, happy childen, because Lydia E. Pinkham's Vegetable Compound restored the mother to a healthy, normal physical condition.

The following refters give the experience of two young women and prove the value of Lydia E. Pinkham's Vegetable Compound in such cases.

These letters should induce others to try

Afraid She Had Offended Her.

My friend, who is a very conscientious person, fears that she has done something to offerd.

"I can't see how she can be like this unless I have," she cries. "Why, she told me everything at that time and she used to say she couldn't have gotten along without me."

Now, of course, I could not say with a surety what has come between these friends, but I have a guess that I think very highly of.

And my guess is this: When one opens one's heart in time of trouble to a friend, one gets very close to that friend and one finds geat comfort in doing so. But just as surely as the tides flow and then ebb, and the physical heart dilates and then contracts, so surely does the spiritual heart of man dilate and then con tract. The mood of expansion is ined oneself up to a friend in a time of acious and shy one is apt to feel after the mood has passed and one has come back into the light of com-

Toronto, Ontario.-"I suffered for a long time from a female weakness, inflammation, and a terrible backache caused by that condition. One day one of your booklets was left at my door, and I read how other women with troubles like mine had been made well, so I got a bottle of Lydia E. Pinkham's Vegetable Compound and a package of Sanative Wash, and it helped me wonderfully, and I now have the finest little baby boy that any mother could want. I want to recommend Lydia E: Pinkham's Vegetable Compound to any woman who has female troubles."-Mrs. JOSEPH LA BELLA, 773 Shaw Street, Toronto, Ontario, Canada.
