MICKY M'INTYRE SIGNED
TO BOX GRIFFITH

Saskatoon Scrapper Will Hook
Up for 12 Rounds With
Welter Champ, May 1

Late last night articles were signed by Micky M'Intyre of Saskatoon to meet Micky Griffith of Cincinnati, O., in a battle for the welterweight championship of the world. The bout is to be held in the Burns arena on May 1. Last week Griffith sent word to M'Intyre requesting a match and he was told that if he defeated Ray Brownson, or got a draw with him, he would be given the date. The brief dispatches which have been received of the affair indicate that Griffith delivered the goods, and although there was no decision given, it appears that Griffith had the better of the affair. The welterweight division of the scrap heap has been in a big muddle of late. At present there is no recognized champion, and since Mike Gibbons graduated to the middleweight class, it is the purpose of Tommy Burns to settle this dispute to some extent, and the match which is due for May 1 will go a long way toward settling it. The winner of this bout will be matched with Ray Brownson, provided that gentleman wishes a match. However, if the hoodoo which has apparently been following Tommy Burns of late continues, the winner of this bout is a chance that the bout will not take place. A wire was sent to Griffith last night and an answer is expected today. Micky M'Intyre is a Canadian. He was born in Nova Scotia, and it will be quite an honor for Canadians if M'Intyre can be turned out on the field of this welterweight scrap heap, which is in such a muddle at the present time. The May day bill may be a doubleheader, as it is quite possible that Ray Brownson and M'Intyre will also be on the program for a 12-round encounter.

MAJOR LEAGUE BALL

AMERICAN

Boston, April 15.—Hits for extra bases gave New York a 7 to 2 victory over the world's champions today. Keating, the Highlanders' recruit, pitched in the first inning, and giving passes to six. Jackson, Cleveland's slugger, was hit on the head by a pitched ball, and returned for a moment. Falkenberg pitched great ball, only one Detroit player reaching third base. Score: New York, 7; Cleveland, 2. Batters—Keating and Sweeney; Hall and Numanaker.

Falkenberg Blasted Tigers

Cleveland, O., April 15.—Fred Falkenberg, secured this spring by Cleveland from Toledo, shut out Detroit today, while Cleveland secured a 7 to 2 victory. Falkenberg pitched great ball, only one Detroit player reaching third base. Score: Cleveland, 7; Detroit, 2. Batters—Falkenberg and Carlich; Bohler and Stange.

St. Louis Beats Browns

St. Louis, April 15.—Chicago defeated St. Louis today 5 to 1. Walsh, although hit rather hard at times, held the local safe when the Cardinals had opportunity to tie the score. Chicago scored in the third on a base on balls and Williams' error on the easy fly. In the fourth Chicago added two more on two infield errors, an infield hit and Schalk's double. Chicago brought their total up to five in the fifth on Ralston's walk, Collins' single and Borton's double. Williams' double and Pratt's single in the fourth scored St. Louis' first run. In the seventh St. Louis scored on a base on balls, a double and Johnston's single. In the ninth Walsh struck out the next three men. Score: Chicago, 5; St. Louis, 1. Batters—Walsh and Schalk; Mitchell and Alexander and Agnew.

NATIONAL

Substitute Beats Pirates
Chicago, April 15.—Wilbur Good, a substitute who ran for Clyde Miller, who had replaced Mickey, pitched double today, and Chicago won the final game of the series from Pittsburgh, 5 to 1. Miller, who was in the tenth, pitched a perfect game. Good was given a base on balls, Good then taking Clyde Miller's place. Schalk's error on Brinn's error and Good was held at second. Miller, batting for Mitchell, scored Schalk at second; Miller then stole second and Good, who was half way home when Miller started, crossed the plate before Vieux, who had fumbled the ball, could get his bearings. There was no chance to catch either runner and the game was over. Chicago used a total of 19 men. Score: Pittsburgh, 1; Chicago, 5. Batters—Cooper, Cannitts and Gibson; Lavender, Cheney and Bretherton.

St. Louis Wins

Cincinnati, April 15.—A batting rally in the fourth, coupled with Packard's wildness, netted St. Louis five runs and enabled them to win today from Cincinnati by a score of 5 to 3. The pitching of Bates, who relieved Burk in the fourth inning, was easily the feature. He allowed the locals only one hit and this counted for nothing in the run getting. Works, who relieved Packard in the fourth, was also effective, but wild. Score: Cincinnati, 3; St. Louis, 5. Batters—Burk, Sales and MacLean; Packard, Works and Clark. Brooklyn at New York—Rain. Boston at Philadelphia—Rain.

MATCHMAKING IS NO CINCH
Easy Enough to Shout Out the Lemons

(By Joe Price).
It's easy enough to criticize and pan a man for not doing just what you would like; it doesn't take much nerve to "soller 'em" nor to say "Cut out the quince," but if some of the wise ones who are doing this would place themselves in the position of Tommy Burns right now, and would try this match making game, they would find the way the promoter not a very one by any means. No less than twenty wires have been sent to boxers within the past week, not second rate boxers but ones with a reputation, and to date it has been impossible to get a match actually arranged.

Tommy Burns wants to stage an average of one boxing bout a month from now until Christmas. One bout was to take place on April 20, another on May 24, and the others at intervals of about one month. So far there has been impossible to get men who are evenly matched together. So far there are three men only who have agreed to box here. These men are Jimmy Clabby, Art Pelney, and Jack White. Clabby is a middleweight, Pelney is a heavyweight, and Jack White is a lightweight. Numerous efforts have been made to get matches for any one of these men. But just when the announcement was ready to be made there was a hitch somewhere.

Clabby-McGoorty.
Take for instance the match for Jimmy Clabby. Jimmy Clabby is practically the only man who is in a position to dispute the middleweight title with Eddy McGoorty at the present time. About a month ago McGoorty wrote to Tommy Burns asking for a bout and said that he was willing to meet any opponent that Tommy would supply. Well, Tommy at once got into touch with Jimmy Clabby and Jimmy agreed. The bout was to have taken place on May 24. It was a goodly sum of money that was offered. The promoter of the world, McGoorty was wired to just as soon as Clabby was heard from, but McGoorty answered that he had too many engagements, and could not accept the date. He was sorry, very sorry, and sent his regards to his friends, but that is all there was to it. To say that McGoorty was sidestepping might be unfair, but anyway he who was so anxious to box here in Canada a month ago suddenly changed his mind.

Then there was Pelney. Now, in spite of all criticisms to the contrary, Pelney showing against Tommy Burns and showed that he certainly should be considered while this white hot talk is so rampant. Luther McCarty was communicated with. Yes, Luther would accept and would box with Pelney. He wanted the modest sum of \$15,000 for his performance. Fifteen thousand is more than twice as much as was ever taken in at the Manchester Arena. By the time this sum is paid, together with the preliminary and advertising expenses there would be a great deal left for the opponent. However, McCarty was offered a straight guarantee of \$10,000, but that was too insignificant for the former bouncer of the deal or Phum to consider.

Then there is Jack White. Now, Jack is a good one and has a better reputation than any boxer who has been brought in from the outside. The fans were delighted when they heard that White would be matched with Fatsy Drouillard. But Fatsy has discovered that he has a date down in his notebook for April 24. And they began with one accord to make excuses, "was not originally used in reference to a boxing bout, nor to the troubles of a boxing promoter, but it is applicable just the same."

Some Bouts—Maybe.
Right now there are several more schemes hanging in the balance. Andy Morris, the former champion, is being brought in from the outside. He has a date with Pelney. Pelney and he have met twice, and on each occasion a draw was the verdict after a ten-round mixup.

Yesterday a wire was sent to Mike Gibbons, of St. Paul. Gibbons lost to McGoorty, but it wasn't a one-sided contest by any means. If Mike Gibbons can be secured he will be a good match for Pelney. Certainly, Tommy will not offer any \$15,000 purses for such cheap champions as Luck McCarty, but every boxer who has yet appeared here has gotten a bigger purse than he could get elsewhere. No boxer is worth more than he can draw, and Tommy is willing, in fact, anxious, to offer any boxer in the world who is worth while a 50 per cent. guarantee of the gross receipts.

Surprise—Anderson, Now Ready for Champion

Los Angeles, Cal., April 15.—Bud Anderson, the light heavyweight, knocked out "Knockout" Brown of New York in the fifteenth round of their scheduled 20-round battle at Vernon arena tonight. Just a month ago today the same boys fought 20 rounds, a draw in the same event. Anderson had Brown all but out in the eleventh round of the contest, but the New Yorker recovered and pounded Anderson into a state of collapse in the thirteenth round. It was a decision of the referee that the battle of tonight was arranged, with a match to decide supremacy that was to be fought on July 4 at the added prize to the winner.

SCHOOL LACROSSE BOYS
START ON MAY 2

Western Canada College and High School Teams Will Play Out Schedule

The lacrosse section of the Inter-scholastic was organized last night and the H. H. boys will clash for the first time this season on May 2. The organization meeting was held in the Y.M.C.A. boys' room last evening with Jack Sharpe presiding. Billy Low was appointed to the position of secretary of the section.

It was decided to play all matches on Western Canada College campus this season. The condition of the lacrosse field at Mewata did not appeal to the students, and especially when the college offered their splendid grounds for the games. It is not unlikely that a junior series will be organized as the college have a senior team now and the colleges have almost enough enthusiasts to form a second team.

The schedule for the season is:
May 2—Western Canada vs. Collegiate.
May 9—Collegiate vs. Western Canada.
May 16—Western Canada vs. Collegiate.
May 23—Collegiate vs. Western Canada.

SOCCER MAY BE PLAYED AT VICTORIA PARK

A meeting of the Calgary and District Football League was held in the Y. M. C. A. last night. President Robert Matheson presided. The delegates present were Messrs. Matheson (Colleges), Ingles (City), Atkins (Postoffice), Atwood (Lyneders), Woods (Lanca), Avery (Y.M.C.A.) and Reeves, representing the Intermediate section. Some lengthy discussion took place regarding the affiliation of the Commercial League with the City League.

Reeves, Morris and Miller, representing the Commercial league, were present and asked that they be allowed to play on their teams as many intermediate men as they wished, but would stipulate only two senior men on any one team. They also stated that the teams would play only bona fide employees of the firms or corporations they represented.

The chairman did not see how they could affiliate with the City league, but said that that body would help the main any other way to foster the game. It was finally decided, on a motion by E. Atwood, that the league secretary write, stating that their affiliation could not be accepted and that all clubs concerned govern their own players.

May Play at Victoria Park.
Matheson said that on behalf of his club he has secured information from E. J. Richardson, manager of the Exhibition company, by whom he has been received most courteously, regarding securing a portion of Victoria park for playing games this season.

Mr. Richardson said that he felt sure no objection would be raised whatever to a playing pitch being laid out in that park, and which could be barricaded and an admission fee charged, provided that a portion of the fence be made in such a way as to enable the teams to be seen during exhibition games. The meeting adjourned until Thursday night.

Mr. Matheson said he had made these inquiries in the interest of his club and mentioned them for the information of the league, but not for the purpose of turning the proposition over to the league.

Hillhurst for Sale.
Mr. Aitken then said that the league should investigate the matter regarding the securing of these grounds, as he had been informed from a very reliable source that Hillhurst Athletic park was to be offered for sale. The matter was then tabled until Thursday night.

day night, information regarding same to be investigated in the meantime.

It was decided that a benefit game be played on April 26 between the team defeated by the Y. M. C. A. by the Colles, league champions, 1912, and the Colles, league champions, 1913, and the goal to nothing. Cartwright turned the trick in the Postoffice's favor.

The selection committee, comprising Messrs. J. McEwan, Scott and Gow, were asked to pick the team.

Messrs. J. S. Spick, E. R. Tabrum and E. A. Deham made personal applications for referee appointments, and forthwith to the secretary, as a meeting will be called in the near future. This applies to old clubs as well as to new ones.
