### Talk About Clothing-We Sell the Right Kind on Credit

Doing as we do an extensive credit business, we cannot, for our own interests, afford to sell poor clothing. We know all our customers by name, and are meeting them every week, so you see we must be in a position to "face" them every time, and some of our customers we have faced continually for the last ten years. This all goes to show you that you are perfectly safe in dealing here. We make good every time.
