

WORLD'S DEBT TO CANADA

A Wonderful Achievement

Discovery of "Fruit-a-tives" has meant health for all

Canada's fame does not rest solely on her furs and wheat fields. Her rise in the esteem of the world is not due to her Cobalt mines. It is the work of her great men that has made her great. A graduate of McGill University has won lasting renown for his original researches in the realm of Physics. Everyone knows that fruit is wholesome, when eaten judiciously. Physicians generally recognize the fact that fruit juices have a beneficial effect on the various organs of the body. It remained for a Canadian physician to discover a process whereby the medicinal action of fruit could be so increased as to make the intensified juices a wonderful cure. "Fruit-a-tives" is this combination of fruit juices and tonics. Since its introduction to the public, "Fruit-a-tives" has met with a success accorded to no other medicine in the world. The reason is plain. "Fruit-a-tives" is the one remedy that is actually made of fruit, and is the only remedy that naturally cures Constipation, Biliousness, Indigestion, Headaches, Rheumatism, Neuralgia, Backache, Kidney and Skin Troubles. At all dealers at 50c. a box, 6 for \$2.50, or trial size, 25c., or from Fruit-a-tives Limited, Ottawa.

The Campbellton Graphic,

H. B. ANSLOW, EDITOR AND MANAGER.

CAMPBELLTON, N. B., JULY 22ND, 1910.

ANNOUNCEMENT

In common with other Campbellton citizens the proprietors of the Campbellton Graphic have met with a very heavy loss. The fine plant of this paper is today a total loss, nothing remaining but a pile of broken machinery. Besides this we lost all our large stock of stationery and all our business papers, files, etc., except our books and subscription list. This issue of the Graphic, and if we can arrange, subsequent issues, will be issued through the courtesy of the proprietors of the Newcastle Union Advocate. Our office at Campbellton will be at once reestablished, and in a very short time we hope to be in a position to attend to all orders for printing. In the meantime we will render all accounts due us and we trust our readers will heartily respond to this the first general appeal we have been obliged to make. We wish to add a word of thanks

to our friends for kindness shown and expressions of sympathy and encouragement, received from so many throughout New Brunswick and Quebec.

We have every confidence that Campbellton will be rebuilt and that shortly the Graphic will be published from its home town.

H. B. ANSLOW
Editor and Manager.

(Newcastle Leader.)

The death of Charles W. Anslow, a popular young newspaper man at Campbellton early Wednesday morning has occasioned widespread regret. An evidence of the general esteem in which Charlie was held was shown in the general expressions of sorrow which was to be noted ever since the first news of the untimely accident was heard in Newcastle. Beloved and respected by all, his death is a universal loss. To his family and in particular to H. B. Anslow, who has lost a brother and co-partner, THE LEADER extends its heartfelt sympathy.

CAMPBELLTON FIRE

Campbellton, N. B., July 17.—It seems barely possible, almost incredible, that only last Sunday night thousands of people, happy and contented, inhabitants of the busy, thriving town of Campbellton were comfortably seated in pretty, cosy, little churches, while tonight only about 500 of the populace remain to gaze reminiscently upon a pile of ashes, all that remains in the path of the fire of the following evening.

Tonight there was no church and the good people, who were present at the worship of their God last Sunday are now widely scattered in various sections of the country. Some of them have even gone as far as the western coast of the continent, while others have but crossed the home river, but at all events it would be impossible to assemble tonight, even one-fifth of the congregations of a week ago.

GREEN SWARD AS CHURCH: SKY FOR ROOF

The handful of figs sufferers still remaining in the desolate forsaken town, however, did not forget their faith today, but in the open air gathered in fairly large numbers to worship the God of all. Services were held both by the Catholics and Protestants, the former on the site of their Church of Our Lady of the Snows, and the latter in the school grounds.

CAR OF LIQUOR SEIZED

The militia were given no rest today, but were kept busy in protecting the interests of the fire victims. Some of them watched a car of liquor consigned to a man named McIntyre, which they seized and placed in custody. It is useless to try to sell the stuff in Campbellton, openly, as all licenses have been cancelled by Premier Hazen at the request of Mayor Murray.

BOARD \$4 TO \$5 A DAY

A boarding house has been established on the steamer S-lac and the rates range from \$4 to \$5 a day, or from \$28 to \$35 a week. Up to yesterday supplies have been furnished this steamer by the relief stations, but now she will be placed on the no supply list. In spite of these figures there are several people boarding on the steamer, as they have no place else to go.

Frederickton, July 14.—This morning arrangements were made for Lieutenant Governor Tweedie and Premier Hazen to visit Campbellton on Monday next where they will consult Mayor Murray and other officials at Campbellton. It may be that special legislation will be needed immediately to enable the town to go ahead with its part of the work of rebuilding, and the Lieutenant Governor and Premier both feel that it would be well for them to advise with the authorities at Campbellton.

The town of Campbellton has a debt of about \$300,000, and its future is a matter of much consideration. That the town, under ordinary conditions, will be rebuilt and without delay seems certain, as from a commercial and industrial standpoint it was one of the busiest centres in Eastern Canada, and its citizens have been an industrious lot of people. If it is deemed necessary a special meeting of the Legislature will be called after the meeting.

Governor Tweedie and Premier Hazen visit Campbellton, and personally look into the situation.

Campbellton, July 13.—The thousands of homeless people here are having a hard time today with a heavy rain falling, and there is much disappointment over the failure of the militia department officials to act as quickly as all other public officials are acting. It is estimated that almost 3000 refugees spent the night in the woods about here, and there have been some pathetic scenes.

Last night a baby was born to the mother of a homeless family who are in the woods. An example of the terrible losses of private citizens is given in the case of one man who owned a business and several houses, the whole thing being worth about \$10,000 or \$12,000. All he will have when things are straightened out and the insurance paid will be about \$1,300. Fortunately, many people carried more insurance on their properties than the man referred to.

Campbellton, N. B., July 14.—Supply trains are arriving at almost every hour at the stricken town of Campbellton, carrying relief to the unfortunate, homeless inhabitants, many of them now own but little other than the clothes they have on. Carloads of all kinds of eatables clothing and other necessities of life are being rushed to the ruined town, and the people have now been well provided for in this regard.

There are still hundreds of them however, who are without shelter, but with the arrival of 500 tents from the military stores today this situation will be changed. With all their misfortune and desolation, the thousands of destitute are cheerful and do not complain, being thankful that they are not in worse plight.

MANY CONTRIBUTIONS

Already contributions or offers of aid, financial and otherwise, have been received from the following:—Dalhousie, Bathurst, Chatham, Newcastle, Moncton, St. Stephen, Woodstock, Fredericton, St. John, Halifax, Quebec, New Richmond, Que., Toronto Star, Restigouche Salmon Club, Toronto News, Boston Evening Post, Matamoras Club and the local government. There is no lack of provisions, and from early morning till late at night, men, women and children may be seen in large numbers getting a "handout" at one or other of the four relief stations.

SEIZED WHISKEY

The military police last night were posted in sentry fashion about the smouldering ruins, and did very good work. They performed one act to which credit will be attached, when Capt. McKenzie, of Campbellton, and two of his men went to a spot in the woods about half a mile from town and seized thirty-two cases of whiskey from Henry Cormier, formerly proprietor of the Intercolonial Hotel. The liquor was being sold to the homeless men, and will in all likelihood be confiscated.

MUCH THEIVING

Many cases of thieving are reported to have taken place since Monday night, the blame for which is largely attached to sea-men and backwoodsmen.

MANY EXPLOSIONS

In addition to the gasoline there was also a quantity of other explosives in the town. When the fire was reducing to ashes the store of A. E. Alexander, the citizens looked any minute for a great explosion, as from inside the premises emanated sounds resembling numerous volleys of heavy artillery, as the gun powder and other ammunition was included in the onslaught of the flames. It was because of these that the report of the death of seven men arose.

AINMEN INJURED

Last night an I. C. R. driver, John Hamilton, sustained painful injuries in a fall not far from the station, while walking along a couple of planks. Dr. J. Price attended him but his injuries are not thought to be serious.

VISIT HOME SCENES

Many of them today visited the desert, barren waste of ash heaps which is the only sight to be seen in the residential section, which only a few days ago they were proud to call home. That word has lost its meaning to them now. Their home is the open field, a wilderness of green woods, with here and there a shack or shelter of some sort to protect them from the weather.

BRAVE WOMEN

The women and children are bearing up bravely in the struggle for existence, along with their husbands and fathers, and even though they possess nothing more than the few clothes they are wearing, they do not complain, but shoulder the burden with a degree of humility, courage and persevering bravery that are remarkable, under the circumstances.

N. S. BANK GIVES \$5,000

The directors of the Bank of Nova Scotia have contributed the handsome sum of \$5,000 to the Campbellton Relief Fund. The Band of Nova Scotia had a very successful branch in Campbellton which was totally destroyed by the recent conflagration. The Royal Bank of Canada and the Bank of New Brunswick also had branches in Campbellton which were destroyed.

SMALLPOX

Campbellton, July 14.—The latest trouble the authorities here have had to deal with following the heavy rain of yesterday has been the possibility of a smallpox epidemic. A stranger arrived here today and he is thought to be suffering from the dreaded disease. He was at once sent to the pest house, which is located some distance out of town, and is there being cared for.

TWO OTHER FIRES

There were two other fires of some consequence on Monday night also. At Charlo, nineteen miles east of Campbellton a rotary saw mill owned by C. I. Keith, was destroyed, with a loss of \$14,000. At New Mills, the lobster factory belonging to Benjamin Windsor, was burned with a loss of \$2,500. It is reported also that there was a fire of some consequence at Satabec.

NEWCASTLE SUFFERERS

Quite a number of former Newcastle people were heavy losers in the fire. Messrs. Anslow Bros. being the heaviest among the number, they having had their newspaper and job printing plants completely destroyed. Beside this Mr. and Mrs. H. B. Anslow lost their beautiful home with all the contents. Mr. and Mrs. J. Stevens also lost their home and all their furniture and clothing. A. E. and Mrs. O'Donnell lost all their household effects. Mr. Geo. McMaster and family lost their comfortable home with its contents. Miss Gertrude Sullivan, Miss Annie Corbett, Mrs. A. E. G. McKenzie, Henry and Mrs. Treadwell also lost nearly all their personal effects. Mr. Wm. J. McNeil was fortunate in saving his trunks and all of his clothing. The above all came to Newcastle with the exception of Mr. Chas. Anslow, he being employed with the relief committee at Campbellton. Besides the above Messrs. Miller Bros., formerly of this town were very heavy losers. They lost their well stocked meat and vegetable store as well as all their property. Mr. Stanley Keays, manager of the Miramichi bowling alleys lost all his personal effects.
