AROUND THE [WORLD.

.... A Paris manufacturer claims to have found an excellent cigar wrapper in eucalyptus leaves.Suicides in London averaged last year

one per diem. The bodies reclaimed from the Thames were two per week.Twenty-two cases of insanity in France are known to have been directly caused are known to have been directly caused by the penic which resulted in the fall. by the panic which resulted in the failure of the Union generale.

.....The Bulletin de Therapetique reports a case of severe lead poisoning to an inveterate smoker. He had been in the habit of using matches colored with chromate of lead.

is not the smallest ground for supposing that elephants are particularly prone to insanity. What Jumbo requires for the next year or two is to live among his kind." .. Near's all of the university of Oxford statutes have just received the royal assent, and for the future the tenure of fellowships

is shortened, the election of fellows is placed upon a footing less open to abuse, and matrimony is no longer a forbidden .Mr. Hansen, an Austrian architect. lately discovered that the brilliancy of Pompeian mural painting is due to a stucco justre of whitening or chalk with the dust of marble, and has produced work exactly similar. Some of the decorations of the new Austrian Englement.

new Austrian Reichsrath are to be after this process.Knowledge addresses these alarming words to the modern burlesque writers who make harrid puns and their equally in-culpated audience who enjoy them: "It is not, perhaps, commonly known that a tendency to make puns is regarded by many students of mental physology as a sign of celebral disease."

Argyll intended to join the conservative party next session, his grace has been communicated with on the subject, and has replied as follows: "I can only say that I adhere to the principles which I consider to be liberal, and I desire to be free from all ties which would hamper me in the assertion of them, whether by one minister where the principles whether is the principles of the principles which I consider to be liberal, and I desire to be free from all ties which would hamper me in the assertion of them, whether by one minister where the principles where the principles which I consider to be liberal, and I desire to be free from all ties which would hamper me in the assertion of them, whether by one minister that the Duke of quiet. The provided where the principles which I consider municated with on the subject, and has remunicated with one minister
to be liberal, and I desire to be free from
all ties which would hamper me in the assertion of them, whether by one minister

.. A Salzburg wine merchant was recently fi ned \$125 and imprisoned for two months for adulteration. He had purchased 3000 small casks of wine, which by additions of water, alcohol, prato sugar, wine dregs, and salt in enormous quantities, he had increased to 52,000 casks. This mixture, which was sold at five times its value recalls the dwing virtue's additional control of the same recalls the dwing virtue's additional control of the same recalls the dwing virtue's additional control of the same recalls the dwing virtue's additional control of the same recalls the dwing virtue's additional control of the same recalls t its value, recalls the dying vintuer's advice to his son: "Always remember that you can make wine out of anything-even

....A London lecturer on female attire said recently: "Dressed as women are, the less exerc se they take the bett-r for health. In fact they are seldom fit to stand erect or walk a block, but should be rolled around or carried on a palanquin. Not one woman in 10,000 has room inside her clothes for the rise and fall of the ribs in breathing, and there is not one in 10,000 whose vital organs are not displaced by external pressure. While this is so, the less exercise the better."

.Arthur Claydon, "fellow of the colonial institute," writes from New Zealand to the London Spectator: "It is a wither-ing rebuke to our boastful civilization that the latest conquest we have achieved—that of the New Zealand chieftain Te Whiti has revealed to us a man in many respects our superior. The strictest temperance reigned in his district, and the self-control of the chief and his followers struck our fully armed thousands with utter amaze-

. Mr. Sturdy, a gentleman who acts up to his name, took 150 shares, in 1880, in an English assurance company claiming to have over \$50,000 surplus assets. In June, 1881, the company's report pointed out that this statement was wrong, and in fact there was a deficiency. Mr. Sturdy then asked for his money back, and was refused. He then went to law, and the vice-chancellor refused his application on the ground that there had been no intentional decep-But the court of appeals has decided in his favor.

.. Since his historic home at Charing Cross was pulled down, the duke of Northumberland has occupied one of the immense mansions which the late Lord Westminister erected in Grosvenor place, overlooking the queen's private gardens, the fnest town palace gardens in the world. The heir of the Percies is a very quiet, religious man, of immense benevolence, and his eldest son (married to Lord Lorne's sister) is a highly respectable pig-headed tory. The duke has no daughter, and but one other son. He is the greatest land-holder in England, in point of extent of

acreage . The marked features of ancient bridge building was the thickness of the piers.
The famous old bridge at Verona had a
pier 39 feet thick, though only 11 feet high.
In old London bridge the piers were so
enormously thick that the available waterway at low water was rather less than one way at low water was rather less than one fourth of the width of river spanned by the bridge. The London Builder thinks that the modern tendency is to make the piers too light. Of late years no country in Europe has seen more remarkable bridge work than Italy. Signor Mosca's bridge work than Italy. Signor Mosca's bridge country in a Taring is a masternies. over the Dora, at Turin, is a masterpiece

many students of mental physology as a sign of celebral disease."

According to an official return which was published last week, 4044 persons were drowned within the limits of Great Britain during 1880. This large number des not include deaths from shipwreck. There were 3274 males and 770 females, and 1019 of the whole number were children under 12; 471 were suicides, 423 bathing accidents, and 21 were murders.

The London Specta'ror says, respecting Cyprus, "the 'strong place of arms', which, tarough the wisdom of Lord Beaconsfield, we now possess conditionally as tributaries of the Sulan for safegua. Jung India and regenerating Turkey, and which was to be a mine of wealth for British enterprise, costs is \$450,00 a year without any compensating advantage whatever."

The Labor Standard, organ of the English trades unions, raises the question of France during the coming winter. The unions do not ask for aid in doing this; they simply believes, in accordance with the late hygienic teachings, that in many cases the money for the sick would be better employed in this way than in paying for beds in hospitals.

"It having been stated that the Duke of Argyll intended to join the conservative party pext session bis graves has been come."

"In According to an official return which was a sign of called the persons and return which the safe of the suland regions at 21 control of the suland regions at 31 26 to \$12 70 feralls, \$13 to \$13 6 to \$12 0 512, and \$10 to \$13 60 to \$10 to Grain and Produce.

HAIRGOOD

NOTICE TO THE PUBLIC

TEMPOFARY STORE, to be opened at

77 YONGE STREET

Until the old premises, 105 YONGE STREET, are getting re-fitted. I invite the public, especially the LADIES, to inspect my goods which is by far the largest and choicest stock in these lines ever presented to the public in Canada.

JAMIESON. THE CLOTHIER,

Who has in stock a tremendous assortment of seasonable goods that are being offered at ROCK BOTTOM PRICES. These goods must be cleared out before July,

as the present store is to be rebuilt by that date. A few reasons why Jamieson can undersell any man in the Trade. He never lost a hundred dollars in his life by credit; gives no credit; takes no credit; one man poes not pay for another man's clothes; he buys himself; assists in selling; keeps no Mansion at his customers expense; sells goods at the smallest living profit, which the public endorse by their patronage; don't take our word for it but call and see for yourselves.

The stock consists of all the latest patterns of English, Scotch and Canadian Tweeds, which we make up in pants to order for \$3.50, Suits for \$14. Boys' suits for \$2, \$2.50 and \$3. We can astonish you with lower prices and better

goods than can be found in this or any other market. Send for sample and self-measurement card, which enables any gentleman to take his own measure as correctly as taken by a practical cutter.

Satisfaction guaranteed in every case or money refunded.

JAMINSON.

THE CLOTHIER.

AND UPRIGHT

ALL THEIR PIANOS HAVE THE LATEST IMPROVEMENTS.

Special attention is requested to their Grand Pianos. Several improved ments have been introduced, the most important being the Patent Bridge (patented 4th of March, 1881). They are the only Manufacturers of this

Is hereby given that in pursuance of the petition of John Mallon and others, presented to the municipal corporation of the village of Brockton, praying for the opening up and establishing as a public street of all and singular that certain parcel or tract of land described as follows, that is to say:

Commencing at a point on the north side of Dundas street, thirty feet east of the southwest corner of lot 48, as laid out in registered plan 152, thence northerly at the distance of thirty feet from the western limits of lots 48, 43, 42, 41, 40, 39, 38, 37, 36, 35, 34, 33, and 32 to the south side of Bloor street sixty feet, thence southerly parellel to the castern boundary herein described, and at an equal distance of sixty feet therefrom to the north side of Dundas street, thence easterly along the north side of Dundas street to the place of beginning.

The council of the said village of Brockton in pursuance of the "Municipal Institutions Act," revised statutes of Ontario, can, 174, and in compliance with said petition, intend passing a by-law for the purpose of opening up and establishing said parcel of land as a public street at 7.30 O'CLOCK, P.M., on MONDAY, the 26th day of June, A.D. 1882, and let alt parties concerned govern them selves accordingly.

Dated at the council chamber, Brockton, this 16th day of May, A.D. 1882. Piano in Canada. Have invariably carried off first prizes (during the past thirty years) at all Provincial, County and other Exhibitions in Canada and United States: also at Philadelphia, Sydney. N.S.W., Montreal and Toronto, when in competition with other pianos, and confidently assert that their pianos are the best value obtainable.
