A NEW ERA.

HOW TO PREVENT DISEASES.

THE GREAT QUESTION OF THE DAY—How to prevent premature death from disease, or prevention of the propagation of infectious diseases, is a burning but true question. How long are we to be left in sanitary matters at the mercy of the ignorant and careless? The *Times* states that 100,000 cases annually of illness from typhoid fever alone may be set down as preventable.

500,000 PERSONS HAVE DIED OF THIS preventible disease since the Death of PRINCE ALBERT, the Great and Good.

UNDER the Mosiac law the nations were in a higher position in sanitary matters than the world to-day, while their appliances were rude in comparison to ours.

LORD BRACONSFIELD justly stated the other day that

"The health of the people is really the foundation upon which all their happiness and power as a State depend." For the most practical mode of preventing disease and premature death see a large illustrated sheet given with each bottle of ENO'S FRUIT SALT. The information is invaluable. As an invigorating summer beverage use ENO'S Fruit Salt (preparation of soda and fruit). It is a most preventive and cure for biliousness, sick headache, constipation, impure blood, pimples on the face, rickets, feverishness, mental depression, want of appetite, looseness of the stomach, constipation, vomiting, thirst, etc., and to remove the effects of error in eating and drinking.

QUESTIONS.—A startling array.

PREVENTABLE DEATH.—Why should fever, that the slayer of millions of the human race, not be so much and more limited, and its career stopped, as the solitary wretch who causes his fellow a violent death? The murderer, as he is called, is quickly made example of by the law. Fever is almost universally acknowledged to be preventable disease; how is it that they are allowed to level their thousands every year, and millions to suffer almost without protest? The most ordinary observer must be struck with the huge burden. Whose to blame? For the means of preventing premature death from disease read a large illustrated sheet given with each bottle of ENO'S FRUIT SALT. The information is invaluable. The Fruit Salt (one of Nature's own products) keeps the blood pure, and is thus of itself one of the most valuable means of keeping the blood free from fevers, blood poisons, liver complaints, etc., ever discovered.

WHAT every TRAVELLING TRUNK and

HOUSEHOLD in the WORLD ought to contain a bottle of ENO'S FRUIT SALT. Without such a simple precaution, the jeopardy of life is immensely increased.

A SURE HEALING-GIVING, Refreshing Cooling, and Invigorating BEVERAGE, or as a Gentle Laxative and Tonic in the various forms of indigestion, use

ENO'S FRUIT SALT.—M. D. (Edin.) and M. R. C. S., L.A.C., London, writes:—"I am much pleased with your Fruit Salt, having tried it on myself. Your theory and remarks are most reasonable. Having nearly died of typhoid when studying at College, being only one out of 16 who recovered. I mean to go to my bed for purifying the blood. Though I am 63 I have not the least doubt it will be very serviceable to me."

ENO'S FRUIT SALT.—"Your Fruit Salt is beyond all praise. I wish you would sell it here; it would make its own way by its own merit."—*T. A. Somerby, Councilor-at-Law, No. 20, Old State House, Boston U.S.A.*

ENO'S FRUIT SALT. Messrs. Gibson and Son, Chemists, of Bexham, say:—"Since we introduced your Fruit Salt at Hexham, a few months ago we have sold upwards of 1,000 bottles, and it gives general satisfaction, as customers who get it aim at always recommending it to their friends. We have had numerous instances of its great efficacy in the cure of bilious headaches, indigestion, or stomach complaints, &c."

ENO'S FRUIT SALT.—"I, Rue de la Paix, Paris, Jan. 16, 1877.—A gentleman called in yesterday. He is a coal shaft sufferer from chronic dyspepsia, has taken all sorts of mineral waters. I recommended him to give your salt a trial, which he did, and received great benefit. He says he never knew what it was to be well, until he tried your salt, and for the future shall never be without it in the house."—*M. Ruel*"

ENO'S FRUIT SALT.—Sold by all Chemists, price 2s. 6d and 4s. 6d.
