THE STANDARD.

Webster is the Standard of the U. S. Supreme Court and in the U. S. Gov't Printing Office. It has all along kept a leading place, and the New Edition brings it fairly up to date.—London Times, June, 1882.

No school in the Dominion, no teacher, and no reader of the language, can afford to be without this monumental work.—Canada Educational Journal.

It has come to be recognized as the most useful existing “word-book” of the English language, all over the world.—N. Y. Tribune, 1882.

Specimen pages sent prepaid on application.
