SUTHERLAND'S RHEUMATINE

If you are suffering from RHEUMATINE

KIDNEY COMPLAINTS

Give RHEUMATINE a fair trial. You will regret having done so.

Testimonial from Rosa Needham, who has been for years in the service of the Rev. Dr. Williams, of St. Paul Street Methodist Church, St. Catharines.

St. CATHARINES, July 2, 1883.

MR. SUTHERLAND:
Dear Sir,—I have been afflicted some years with Rheumatism, became stiff and almost helpless. I also suffered very great pain. I was in this state when I first saw your advertisement of Rheumatine in the papers. I thought it could do me no harm to try it, which I did with the best results. Now I can move about as usual. I had to take quite a number of bottles. Still that is nothing to me, and which I am happy to say I am.

I did not feel any relief until I had taken four or five bottles; then I began to feel better. I trust, hope anyone who is suffering from Rheumatism will give you Rheumatine a fair trial, for I was very bad and it cured me. Do as you see fit with this letter and be sure to remain.

Most gratefully yours,
(Signed) ROSA NEEDHAM.

P.S.—I am living at the Rev. Dr. Williams, St. Catharines. Any reference to him will prove that the above is true. (Signed) ROSA NEEDHAM.

IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so completely meets the wants of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list as a truly scientific preparation for all blood diseases. If there is a lurking taint of Scrofula about you, SCROFULA AYER'S SARSAPARILLA will dislodge it and expel it from your system. For constitutional or scrofulous eruptions, CATARRH AYER'S SARSAPARILLA is the true remedy. It has cured numerous cases. It will subvert the catarrhal discharges, and remove the sickening odor of the breath, which are the result of scrofulous origin.

"Hutto, Tex., Sept. 25, 1882.
ULCEROUS SORES.—At the age of two years one of my children was terribly afflicted with ulcerous running sores on its face and neck. At the same time the eyes were swollen, much inflamed, and very sore. Physicians told us that a powerful alterative medicine would be employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies, and no treatment of any disorder was ever attended by more prompt or effectual results.
Yours truly,
D. F. JOHNSON."

Scientific and Useful.

MOCK MINCE PIE, Paste.—Three cupfuls of sifted flour, one large cupful of butter, three tablespoonfuls of white sugar, half a cupful of water. Rub the butter into the flour and sugar, add the water, and mix into a smooth dough.

MOCK MINCE MEAT.—One cupful of stoned raisins, one cupful each of molasses, brown sugar and cider, half a cupful of melted butter, three beaten eggs, one tablespoonful each of salt, cloves, mace, allspice, the grated rinds of two lemons and juice of one, one gill of boiled cider. Chop fine, and mix thoroughly.

CRACKED EARTHENWARE—Should never be used for domestic purposes. It is a good rule for housekeepers to demolish and throw away any pieces of stoneware that have the misfortune to get cracked, for it has been demonstrated that the germs of disease have been preserved and communicated by slight cracks in crockery.

SPONGE CAKE.—Four eggs, one cupful of sugar, one cupful of flour, half a teaspoonful of baking powder (I use the Royal), one teaspoonful of extract of orange. Beat the yolks and sugar together, add the flour with the powder sifted in it, then the extract, and lastly the whites whipped to a froth. Bake thirty minutes in a steady oven.

LEMON SAUCE.—Three-fourths of a pint of water, one and a quarter cupfuls of sugar, one teaspoonful each of extract of lemon and cinnamon, one teaspoonful of cornstarch, and the juice of two lemons. Boil the water, add the cornstarch dissolved in a little water, and the sugar; boil fifteen minutes, strain when about to serve, and add the extracts and lemon juice.

MINCE PIE, Paste.—Three cupfuls of sifted flour, half a cupful of lard, one and a half cupfuls of butter, one cupful of water. Cut the lard into the flour, mix into a smooth, firm paste with the water, and put in a cold place for fifteen minutes. Roll out the dough, place the butter thereon, and cover it completely with the dough; roll lightly to half an inch in thickness, turn the dough over, fold the ends to the middle, and roll again, repeat three times.

CHRISTMAS PUDDING.—One cupful each of grated bread, finely chopped suet, seeded raisins, currants and coffee sugar, half a cupful each of citron, orange marmalade and sweet milk, four eggs, two cupfuls of flour, one teaspoonful each of extracts of cinnamon, cloves and nutmeg, and one teaspoonful of baking powder. Mix all these ingredients well together in a bowl; put into a well-buttered mould, and set this into a sauce-pan with boiling water to reach half up its sides. Steam three and a half hours; and serve with lemon sauce.

MINCE MEAT.—Two pounds of currants, five pounds of peeled and cored apples, two pounds of lean boiled beef, one pound of beef suet, three fourths of a pound of citron, two and a half pounds of coffee sugar, two pounds of raisins, two tablespoonfuls of cinnamon, one nutmeg, one tablespoonful each of mace, cloves and allspice, one quart of boiled cider. Wash the currants, dry and pick them; stone the raisins, and remove the sinews from the beef. Chop each ingredient separately, and very fine, mix thoroughly in a large pan, pack in jars, and keep in a cool place.

PLUM PUDDING.—Six small or five large eggs, one cupful of good sugar, one cupful of dry bread grated fine, one cupful of chopped suet, one cupful of flour, one cupful of raisins, one cupful of English currants, one small nutmeg, one teaspoonful of cinnamon, half a teaspoonful of cloves; one small teaspoonful of soda, sweet milk enough to wet up the whole. Steam in a pudding ball, or basin, two and a half hours. This will make one very large or two small puddings. To be served warm with sauce.

FIRST CHOICE.—Notwithstanding the very mild temperature the public are fully aware of what they are to expect, that is, cold weather, which we are sure to have sooner or later. Acting on this very wise principle large numbers of people both in and outside the city, visited the well known and popular clothing house of Messrs. Pettley during the past two days and made large purchases of both men's and boys' clothing—their main object being to get "first choice" of the big lot of clothing bought by that firm during the past week and which they are selling at astonishingly low figures.

THOMAS MYERS, Bracebridge, writes:
"Dr. Thomas Electric Oil is the best medicine I sell. It always gives satisfaction and in cases of coughs, colds, sore throat, etc., immediate relief has been received by those who use it."

FOR BIBLE READERS.

The following liberal offer appeared in the last issue of the *Ladies' Journal*, published at Toronto, Canada: "We presume you all read the Bible more or less, and no doubt you are all interested in it. Address Editor of *Ladies' Journal*, Toronto, Ont., Canada."

Mr. PETER VERMETT, Hochelaga, P. Q., writes: "Dr. Thomas' Electric Oil cured me of Rheumatism after I tried many medicines to no purpose. It is a good medicine." Just think of it. You can relieve the twinges of Rheumatism, or the most painful attack of Neuralgia—you can check a cough, and heal bruised or broken skin, with a bottle of Dr. Thomas' Electric Oil, costing only 25c.

A PARALYTIC STROKE.—W. H. Howard, of Geneva, N.Y., suffered with Paralysis and General Debility, and spent a small fortune on advertised remedies, without avail, until he tried Burdock Blood Bitters. It purged and revitalized the blood, caused it to circulate freely, and quickly restored him to health.

Thomas' Corn Cure destroys all kinds of corns and warts, root and branch.

RAILWAY ACCIDENT.—Frank Spink, Milton Avenue, Toronto, some time ago received a bad injury by an accident on the G.T.R. The severe contusions were quickly healed by the use of Haggard's Yellow Oil.

Much distress and sickness in children is caused by worms. Mother's Worm Exterminator gives relief by removing the cause.
