**ADVICE TO MOTHERS.**—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once: it produces natural, quiet sleep, it soothes the child from pain, and the little cherub awakes as bright as a button. It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

**WALKS ABOUT ZION.**

BY REV. JOS. ELLIOT.

"Among good books for devotional or practical religious use we may mention with commendation 'Walks about Zion,' a series of brief, interesting and practical addresses on religious topics."—*New York Independent.*

"Clear in thought, correct in expression, and cogent in argument and appeal."—*Halifax Chronicle.*

"These addresses are brief, pointed, eminently practical. Mr. Elliot is well known in this community as an accomplished exponent of the Word of God, and with the aid of saying much in little, each meaning few words. This is the characteristic of these addresses which we most cordially commend to the thoughtful reader. We confess to be reminded by these brief and terse discourses of our dear old favourite, John Foster."—*Presbyterian (Halifax) Witness.*
