OUR MAY MEETING.

The 81st Annual meeting of the U. C. Bible Society, which was held in the Wesleyan Church, Richmond Street, on the 3rd inst., was one of much interest and eminently successful. We are satisfied that the excellent speeches delivered on the occasion, reports of which are to be found in this number, will most favourably impress and profit all who read them. We very cordially reciprocate the noble and patriotic sentiments which abound in the masterly and eloquent address of Dr. Heacock of Buffalo, and with him we earnestly pray that America and Great Britain may be enabled "to keep bright the golden link of Christian love, which ought to hold such nations in firm concord and perpetual amity." The presence of such distinguished visitors as Dr. Heacock is most heartily welcomed to our platforms. Whatever good may result from the labours of the "Joint High Commission," one thing is certain that no honourable treaty can be established between nations whose principles are not based upon the Word of "the only living and true God."

'THE MAY "RECORDER."

NOTICE.—Should any Branches or individuals desire an additional supply of the Recorder of this month, they will be kind enough to send their orders to the address of Mr. John Young, Depository, Toronto, on or before the 8th June.
