OUR SUPPLY DEPARTMENT

In addition to the manufacture of Lamps, Transformers, Meters and Hylo Lamps we conduct a general electrical supply business.

This department is conducted for the convenience of our customers, so that they may simplify their orders and have one account include all electrical wants.

Conducting this department in this way we are able to sell goods at lower prices than are obtained at regular jobbing houses.

When you are next in the market for supplies get our quotations.

We can supply your wants quickly and at a considerable saving.
