**Rudyard Kipling** wrote the author:

"It is immense—There is no other word. I've never read anything that equals it in its deep-sea wonder and mystery . . . It's a new world you've opened the door to."

"The author, a native of Montreal, has passed his life among those whose habits, customs and little peculiarities he has so deftly caught in his weaving, and, for ingenious arrangement, original conception, daring and sustained interest, these stories and sketches are unsurpassed."—*Bookseller and Stationer.*
