

GOLD MEDAL

COLOGNE 1889

# Concentrated Vinegar

Manufactured entirely from Grapes.

## DOMINION ANALYST'S REPORT.

This is to certify that on analysis of above vinegar I found it a purely 'CONCENTRATED WINE VINEGAR' made from the Grape fruit. Free from mineral acids, metallic substance and alcohol. After dilution with pure water will prove a wholesome and palatable commodity either for table use or pickling purposes. A very important thing not to be lost sight of in using this article is that cleanliness is insured by procuring this vinegar in the concentrated form.

## What a Physician Says

is the highest authority for what we can say about our mechanical treatment of Hernia. In the Medical Summary for December, 1895, Dr. E. Carmichael Rothrock, Tennessee Colony, Texas, writes: "This Truss."

## Seeley's Hard-Rubber Truss

"has withstood the hardest kind of tests, and has stood them all with success." That is the usual story from those who have used it. We have treated over 100,000 cases, the largest proportion of them sent us by physicians.

Write us about the matter. We have some interesting literature for physicians.
