

The Stove Time Comes.

Once more the golden rods hang out their jeweled panicles to announce the mid-afternoon of summer, and the aster begins to see its "pale image" in the brook. The sumac pricks the eye with its spikes of fire. The stalled-down floats in the lazy air. The growing aftermath already hides the stubble of the hayfield. On the masses of forest foliage there falls a touch of old gold. The apples and pears hang heavy, and bend down the tree rods in graceful curves. The maize ears fill with luscious milk. The cranberry vines suck delicious acid from the sour bogs where the sedges droop under the weight of their brown burs, and the cloths loads the air with fragrance. The sky scenery softens into dreaminess, and lazy horizons hang over quiet seas. A gauzy veil is drawn over the noonday. At night the stars withdraw into deeper space.

"Sir," exclaimed the orator, "has the Indian any rights?" "He has," said the chairman, "but he gets left when he tries to assert them."

IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so completely meets the wants of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list as a truly scientific preparation for all blood diseases. If there is a lurking taint of Scrofula about you, SCROFULA AYER'S SARSAPARILLA will dislodge it and expel it from your system.

For constitutional or scrofulous Catarrh, AYER'S SARSAPARILLA is the true remedy. It has cured numerous cases. It will stop the nauseous catarrhal discharges, and remove the sickening odor of the breath, which are indications of scrofulous origin.

"Hutto, Tex., Sept. 28, 1882.

ULCEROUS SORES "At the age of two years one of my children was terribly afflicted with ulcerous running sores on its face and neck. At the same time its eyes were swollen, much inflamed, and very sore. Physicians told us that a powerful alterative medicine must be employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies; and no treatment of any disorder was ever attended by more prompt or effectual results.

Yours truly, B. F. JOHNSON."
