**HALL'S VEGETABLE SICHIAN HAIR-RENEWER** is a scientific combination of some of the most powerful restorative agents in the vegetable kingdom. It restores gray hair to its original color. It makes the scalp white and clean. It cures dandruff and humors, and falling-out of the hair. It furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft and glossy, and is unsurpassed as a hair dressing. It is the most economical preparation ever offered to the public, as its effects remain a long time, making only an occasional application necessary. It is recommended and used by eminent medical men, and officially endorsed by the State Assayer of Massachusetts. The popularity of Hall's Hair Renewer has increased with the test of many years, both in this country and in foreign lands, and it is now known and used in all the civilized countries of the world.

## The Bad and Worthless

are never imitated or counterfeited. This is especially true of a family medicine, and it is positive proof that the remedy imitated is of the highest value. As soon as it had been tested and proved by the whole world that Hop Bitters was the purest, best and most valuable family medicine on earth, many imitations sprung up and began to steal the notices in which the press and people of the country had expressed the merits of H. B., and in every way trying to induce suffering invalids to use their stuff instead, expecting to make money on the credit and good name of H. B. Many others started nostrums put up in similar style to H. B., with variously devised names in which the word "Hop" or "Hops" were used in a way to induce people to believe they were the same as Hop Bitters. All such pretended remedies or cures, no matter what their style or name is, and especially those with the word "Hop" or "Hops" in their name or in any way connected with them or their name, are imitations or counterfeits. Beware of them. Touch none of them. Use nothing but genuine Hop Bitters, with a bunch or cluster of green Hops on the white label. Trust no thing else. Druggists and dealers are warned against dealing in imitations or counterfeits.

DEAR SIR,—It gives me great pleasure to be able to inform you that since I have been under your treatment my health has greatly improved, and I am entirely free from pain. For years I have suffered, and although several of the best physicians have treated me, they have, none of them, been able to cure or give me relief. Thanking you for your kind attention, I remain, dear sir, yours truly,

## Poland Mineral Spring Water.

MESSRS. BROWN BROTHERS &amp; Co.:

Dear Sirs,—I have much pleasure in testifying to the medicinal qualities of the **POLAND MINERAL WATER**. Some months ago there was published in the daily papers a testimonial from me, certifying to my complete cure of **CHRONIC DIARRHŒA** by the use of the water. Time enough has now elapsed to prove the permanency of the cure, and it is with much gratitude to the Great Giver of every good and perfect gift that I find every symptom of the disease long since removed. I had been a sufferer from this distressing malady for nearly two years, until my whole system was completely run down. My attending physician—a skillful man—pronounced my case a very serious one and difficult to reach. After treating me for a month, he said three months more must elapse before I could attempt to do any work whatever. At this juncture I began taking the **MIXERAL WATER**, with very little faith in its healing powers. In two or three days the progress of the disease was stopped, and soon the internal ulcers were healed, and I was well and able to go about my usual duties. Up to the present time there has been no return of the malady whatever. I can therefore most heartily recommend this medicine of Nature's own preparing.

Yours truly,

H. P. DOANE,

Methodist Minister, Dartmouth, N. S.

WINSLOW'S SOOTHING SYRUP**. It will relieve the poor little sufferer immediately—depend upon it: there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases; and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere at 25 cents a bottle.

## CHRONIC BRONCHITIS.

When Bronchitis takes the chronic form the attending symptoms become greatly aggravated, and are associated with many of the very worst symptoms of Phthisis, viz., excessive cough, free expectoration, rapid pulse, night sweats, etc., and finally great debility and emaciation. In this stage the diagnosis between this and Tubercular Consumption is sometimes very difficult, and it is in this case that **COD LIVER OIL**, when the sufferer can retain it, is of special advantage; and **PUTTNER'S EMULSION OF COD LIVER OIL** can always be easily retained. In such a case it is invaluable. Under its use we find the cough cease, expectoration diminish, the pulse regain its regularity and force, night sweats cease, physical strength return, and the emaciation give place to renewed flesh. As this state of things may be a sequence of a cold which has been neglected, it behooves every one to be particularly careful of himself while laboring under a cold, no matter how slight it may apparently be. The main thing is to check the disease at its very inception, and the best means by which to attain this is by the early use of **PUTTNER'S EMULSION**.
