## ROLLER SKATING

#### RINK.

Off Bay St., Opp. Temperance.

As a health agent, Roller Skating has proved itself to be invaluable. Many ladies who have attended the Rink, have been restored to a standdard of health and muscular energy such as they had not enjoyed since the palmy days of girlhood. The chilling effect that accompanies ice skating is wholly obviated, and instead of suffering from cold feet, as on ice, the circulation is so thoroughly established in the extremeties, as to insure a vigorous circulation and warmth for a couple of days.

ADMISSION: Afternoon, Free, Evening, 10 Cents.

SKATES EXTRA: Ladies, 15c. Gents, 25c.

TENDERS.

Tenders will be received by this Department, at Ottawa, up to the 1st MARCH next, for the supply of 100,000 gallons, Imperial measure, per annum, more or less, for one or three years, at the option of the Department, of the hest quality of double-distilled Standard White Extra Refined Petroleum Oil, deliverable at Goderich, Hamilton, Montreal, Quebec, St. John, N.B., and Halifax, N.S., in such quantities and at such times as the Department may desire.

The oil must be free from acid or other impurity; of a specific gravity, at 60° Fahr., of between 48° and 45° Baume; non explosive at a vapour test of 130° Fahr.; and must distil between 202° and 52° Fahr. In lutrning for 12 hours it must produce a brilliant and nearly uniform flame, neither crusting the wick nor discolouring the chimney. If from any cause the light diminishes more than 15 per cent. during the trial the oil will be rejected.

A sample of five gallons, of which the cost and freight will be paid by the Department, is to accompany each

The oil is to be delivered in good order in new iron-bound white oak casks, containing from 35 to 40 gallons, prepared inside with liquid glue and painted outside; casks to be furnished by contractors and cost included in price of oil.

The oil is to be delivered by the contractor subject to inspection of the Department, and re-gauged at place of delivery, and delivered free from all charges, including duty, if any, Inland Revenue inspection charges, and gauging charges.

Tenders will also be received up to the same date for the charter of a steam vessel to deliver supplies to lighthouses above Montreal, including those on Lake Superior. Charter to commence at Montreal on the 20th of June next. Steamer to be ready at the Lachine Caual Basin to take in cargo on the morning of the 27th June. Full particulars as to description of vessel required and nature of service will be supplied on application.

Tenders both for oil and steam vessel to be addressed to the undersigned, and marked on outside "Tender for Oil" or "Tender for Steam Vessel."
