mas numbers will be special features ;

this *special offer* for this month.

1873. **GRIP!** 1886.
CANADA'S COMIC JOURNAL.

GREAT IMPROVEMENTS FOR 1886.

The aim of "GRIP" is to set forth, in an impartial and independent manner, the passing events of Canadian political and social life. Its Cartoons speak more definitely and more pleasingly than whole columns of editorial. In this pungent, easily appreciable, and artistic style of presenting a subject, the whole situation is revealed at a glance. The success of *Grip* shows how well this fact is appreciated—its Cartoons on the passing political events of the country being even more eagerly sought after than the chaotic and humorous letter-press of the paper,—though the latter is equal to that of any similar publication on the continent.

The publishers of *Grip* are making extensive improvements for 1886. The old cover is to be discarded, and the journal will hereafter comprise 12 pages, and be printed on heavy toned and calendar paper,—every number being so artistically executed as to compare favorably with the best papers of the kind on the continent. The adverts. will be compressed and more systematically arranged ; while similar improvements will be made as to the letter-press. A new and handsome design will adorn the title-page ; while the Cartoons will certainly not suffer from extensive improvements in the artistic department.

The price of *Grip* will hereafter be \$3 a year, which is lower than that of any paper of its kind in America,—most of them selling for \$5. Single numbers of *Grip* will be 10 cents.

Twice a year, at Midsummer and Christmas, a beautiful special number will be issued, the number of pages being increased, and pleasing features introduced.—particulars of which will be given in preceding issues. These numbers will be presented to subscribers without extra charge.
