JONAS WHITCOMB'S
REMEDY FOR
ASTHMA, CATARRH, ROSE COLD,
HAY FEVER, &c.

PREPARED from a German recipe, obtained by the late Jonas Whitcomb, in Europe. It is well known to have alleviated this disorder in his case, when all other appliances of medical skill had been abandoned by him in despair. In a case of purely Asthmatic character, has it failed to give immediate relief, and it has effected many permanent cures. Within the past two years this remedy has been used in thousands of cases, with astonishing and uniform success. It contains no poisonous or injurious properties whatever, an infant may take it with perfect safety.

[Letter from a Methodist Clergyman.]
WAINDSOR, Vt., May 12, 1857.
Mr. BURNETT—I take great pleasure in briefly stating the wonderful effects of "Whitcomb's Remedy for the Asthma," on my wife. She had suffered for years more than my pen can describe with the Spasmodic form of that terrible disease. I consulted numerous physicians of the highest celebrity to very little or no purpose. As often as ten or twelve times in a year, she was brought to the very gates of death—requiring two or three watchers sometimes, for several days and nights in succession. At times, for hours, it would seem as if every breath must be the last. We were obliged to open doors and windows in mid-winter, and resort to every expedient that affection could devise to keep her alive. At one time she was so far gone, that her physician could not count the pulse. At length I heard of your "Remedy"—it acted like a charm; it enabled her to sleep quietly in a few minutes, and nearly broke up the disease. I keep it constantly on hand—and though it has not cured her, it has done wonders in the way of relief. I have never known it fail in more than one or two instances of affording immediate relief. I am a Methodist clergyman, stationed here. I shall be happy to answer any enquiries respecting her case, and you are at liberty to make any use of the foregoing facts that will benefit the afflicted.—Yours truly,
KINBALL HADLEY.

BURNETT'S COCAINE.
TESTIMONIAL.
BOSTON, July 19, 1857.
Messrs. J. BURNETT & Co.—I cannot refuse to state the salutary effect in my own aggravated case, of your excellent Hair Oil—(Cocaine).
For many months my hair had been falling off, until I was fearful of losing it entirely. The skin upon my head became gradually more and more inflamed, so that I could not touch it without pain. This irritated condition I attributed to the use of various advertised hair washes, which I have since been told contained camphene spirit.
By the advice of my physician, to whom you had shown your process of purifying the Oil, I commenced its use the last week in June. The first application allayed the itching and irritation; in three or four days the redness and tenderness disappeared—the hair ceased to fall, and I have now a thick growth of new hair. I trust that others similarly afflicted will be induced to try the same remedy.
Yours very truly,
SUSAN R. POPE.

DR. MORSE'S
INDIAN ROOT PILLS.

DR. MORSE, the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out abundantly by the urinary or water passage, and which could not have been discharged in any other way.—The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames, have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cheer and brighten your days.

KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY.
For Inflammation and Humor of the Eyes, this gives immediate relief; you will apply it on a linen rag when going to bed.
For Scald Head, you will cut the hair off the affected part, apply the Ointment freely, and you will see the improvement in a few days.
For Salt Rheum, rub it well in as often as convenient.
For Sores on an inflamed surface, you will rub it in to your heart's content; it will give you such real comfort that you cannot help wishing well to the inventor.
For Scabs: these commence by a thin, acrid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in.
For Sore Legs: this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days, but you must keep on with the Ointment until the skin gets its natural color.
This Ointment agrees with every flesh, and gives immediate relief in every skin disease flesh is heir to.

Mr. Kennedy takes great pleasure in presenting the readers of the True Witness with the testimony of the Lady Superior of the St. Vincent Asylum, Boston:—
ST. VINCENT'S ASYLUM, Boston, May 26, 1858.

Mr. Kennedy—Dear Sir—Permit me to return you my most sincere thanks for presenting to the Asylum your most valuable medicine. I have made use of it for scrofula, sore eyes, and for all the humors so prevalent among children, of that class so neglected before entering the Asylum; and I have the pleasure of informing you, it has been attended by the most happy effects. I certainly deem your discovery a great blessing to all persons afflicted by scrofula and other humors.

ST. ANN ALEXIS SHORB, Superior of St. Vincent's Asylum.
ANOTHER.
Dear Sir—We have much pleasure in informing you of the benefits received by the little orphans in our charge, from your valuable discovery. One in particular suffered for a length of time, with a very sore leg; we were afraid amputation would be necessary. We feel much pleasure in informing you that he is now perfectly well.
