

sources are antagonistic in their magnetism. The arbitrary annunciation of a dogmatic allocation is not productive of salutary conditions. I am cold and hungry, I said. Certainly, isothermal relations cannot be ignored with impunity. Whistle-pipes and thunder! How's your mother? John Brown's body hangs a danglin' in the grave! Take 'em away! Take 'em off! His eyes grew very wild, and he pawed the air vigorously. I was afraid, and went away, sorrowing. O Liberte, Liberte! I cried, combien des crimes sont commis sous ton nom!

PRINTING. The sagacious business man is as particular about the style and quality of his printing as he is respecting his person, and would no more permit his name to be done on the poorest paper, with worn-out type and muddy ink, than he would allow his clerks to insult his customers, or to sell them damaged goods for perfect. The enterprising merchant, who prides himself upon the neatness of his store and the quality of his stock, cannot tolerate a botched job, and reasons truly that he is responsible for the appearance of everything bearing his name. The cheapest kind of printing is that which is clear, neat, and inviting,—done upon the best cards or paper, with the best ink. Such printing always gives satisfaction, and if it costs even double that of an inferior kind, is by far the cheaper. You can hand a customer your card, or present him with your bill, without feeling that your name and business are disgraced; and this feeling will pay you a hundred times over for your outlay. You can ALWAYS get such printing done, at the lowest possible prices, by M. LUGNON & Co., at the MONTREAL GAZETTE Book and Job Steam-Press Printing Establishment, 35 GREAT ST. JAMES STREET.

Ayer's SARSAPARILLA THE WORLD'S GREAT REMEDY FOR SCROFULA AND SCROFULOUS DISEASES. From Emery's Edict, a well-known merchant of Oxford, Maine. "I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect, and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our country." Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin. From Rev. Robt. Stratton, Bristol, England. "I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months." From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennis, Mass. "My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her." From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of celebrated papers in Nashua, N. H. "I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an insupportable affliction. I tried almost everything a man could do of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA." Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Savin, Houston St., N. Y. DR. AYER'S I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have just now cured an insupportable Erysipelas with it. No alternative we possess equals the SARSAPARILLA, you have supplied to the profession as well as to the people." From J. E. Johnson, Esq., Wakenau, Ohio. "For twelve years I had the yellow Erysipelas on my right arm, during which time I spent a considerable physician's bill, and took hundreds of dollars' worth of medicine. The sores were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began using your SARSAPARILLA. I took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in the community, and excites the wonder of all." From Hon. Henry Monro, M. P. of Newcastle, C. W. "I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in recommending it to the afflicted." St. Anthony's Fire, Roso, Salt Rheum, Scald Head, Sore Eyes.

Reading, Pa., 6th May, 1861. J. C. AYER, M. D. Dear Sir:—I have a long time been afflicted with an eruption which covered my whole body, and suffered dreadfully with it. I tried the best medical advice in our city without any relief. Indeed, my disease grew worse in spite of all they could do for me. I was finally advised by one of our leading citizens to try your SARSAPARILLA, and after taking half a bottle only, I found that it had reached my complaint, and my health improved surprisingly. One single bottle completely cured me, and I am now as free from the complaint as any man in the world. Publish this, and let the afflicted know what you have done for me, and what may be done for their relief. Yours, with great respect and gratitude, JACOB H. HAIN.

HARVEY BIRCH & Co., Druggists, Reading, Pa. B. W. BALL, Esq., the eminent author of this city, states, 6th Jan., 1860: "My wife has been of late years afflicted with a humor which comes out upon her skin in the autumn and winter, with such insufferable itching as to render life almost insupportable. It has not failed to come upon her in cold weather, nor has any remedial aid been able to hasten its departure before spring, or at all alleviate her sufferings from it. This season it began in October with its usual violence, and by the advice of my physician I gave her your SARSAPARILLA. In a week it had brought the humor out upon her skin worse than I had ever seen it before; but it soon began to disappear. The itching has ceased, and the humor is now entirely gone, so that she is completely cured. This remarkable result was undoubtedly produced by your SARSAPARILLA." Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of celebrated papers in Nashua, N. H., writes to Dr. Ayer: "I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an insupportable affliction. I tried almost everything a man could do of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA." Boston, Jan. 8, 1861.

J. C. Ayer, M. D., Lowell.—Dear Sir:—For a long time I have been afflicted with a humor which broke out in blotches on my face and over my body. It was attended with intolerable itching at times, and was always very uncomfortable. Nothing I could take gave me any relief until I tried your Sarsaparilla, which has completely cured me. EMILY CORNACK. Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Nourishment, when caused by Scrofula in the system, are rapidly cured by this EXTRACT SARSAPARILLA.

AYER'S CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done. Prepared by J. C. AYER, M. D., & Co., Lowell, Mass., and sold by Lyman, Olney & Co., Montreal.

For years and years we have been asked for a large print Prayer Book, and for one reason or another we delayed getting up one until the present time. We desired to make it, when made, the most complete and the most elegant Prayer Book published either in Europe or America, and we think we have succeeded. The Features which distinguish it from all other Prayer Books are as follows: I. It contains the principal public and private Devotions used by Catholics, in very large type. II. The Short Prayers at Mass are illustrated with thirty-seven new plates, designed and engraved expressly for this book. III. It contains the Epistles, Gospels, and Collects for all the Sundays and Festivals of the Year, together with the Offices of Holy Week, in three sizes larger type than they can be found in any other Prayer Book. IV. The book is illustrated throughout with initial letters and cuts. It is printed on fine paper, from electrotype plates, making it altogether the handsomest Prayer Book published.
