

and crosses, seem all the more desolate and forsaken in its absence. But there must be an end to all things—even to this article.—*Dundalk Democrat.*

TRAPPING A TIGER.—A still more ingenious mode of tiger-killing is that which is employed by the natives of Oude. They gather a number of the broad leaves of the prauze tree, which much resembles the eucalyptus, and having well besmeared them with a kind of bird lime, they strew them in the animal's way, taking care to lay them with the prepared side uppermost. Let a tiger but put his paw on one of those innocent-looking leaves, and his fate is settled. Finding the leaf stick to his paw, he shakes it, to rid himself of the nuisance, and finding that plan unsuccessful, he endeavors to attain his object by rubbing it against his face, thereby smearing the ropy birdlime over his nose and eyes, and gluing the eyelids together. By this time he has probably crawled upon several more treacherous leaves, and is bewildered with the novel inconvenience; then he rolls on the ground, rubs his head on the earth in his effort to get free. By so doing he adds fresh bird-lime to his head, body and limbs, agglutinates his sleek fur together in unsightly tufts, and finishes by hoodwinking himself so thoroughly with leaves of bird-lime, that he lies floundering on the ground, tearing up the earth with his claws, uttering howls of rage and dismay, and exhausted by the impotent struggles in which he has been so long engaged. These cries are a signal to the authors of his misery, who run to the spot armed with guns, bows, and spears, and find no difficulty in despatching their blind and wearied foe.—*Rouledge's Illustrated Natural History.*

An editor in New Hampshire offers to bet his head against a sixpence upon some political questions. A brother editor accepts the bet: says he thinks it an even one, and asks who shall hold the stakes.

A gentleman out West tried advertising for a wife. It worked to a charm, as usual. He says he has received in answer to his advertisement, 794 letters, 13 daguerreotype likenesses of ladies, 2 gold finger-rings, and 17 locks of hair.

We know a girl so industrious that when she has nothing else to do she knits her brows.

'Did the minister put a stamp on you when you were married, Mary?' A stamp Charles! 'What for pray?' 'Why matches ain't legal without a stamp, you know.'

THE RESPONSIBLE ORGAN.—The stomach is responsible for more evils than were contained in Pandora's Box. Acidity, dyspepsia, or simple indigestion is the first indication of more than half the diseases enumerated in medical books. Meet it at once with BRISTOL'S SASSAPARILLA, the most genial tonic and corrective which the botanic kingdom has yet yielded to chemical science. Invigorate the stomach and gently stimulate its gastric action with this famous restorative. Remember that the digestive apparatus is the primary source of vitality from which the whole body draws its supplies, and that BRISTOL'S SASSAPARILLA is a specific for the disorders that affect it. In all diseases affecting the liver, stomach, or bowels, BRISTOL'S VEGETABLE PILLS should be used at same time with Sarsaparilla.

Agents for Montreal, Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, B. R. Gray, Picault & Son, J. Goulden, R. S. Latham and all Dealers in Medicine.

BETWEEN HEALTH AND THE GRAVE there is but a thin partition, and all who value life are willing, it is presumed, to do their best to prevent disease from breaking it down. Who so mad as to await the fatal attack, when the first onset can be repelled with BRISTOL'S SUGAR-COATED PILLS, a preparation so genial and balsamic, so searching, yet so invigorating, that while it fights down the complaint, and expels its cause, it also builds up the strength and braces the constitution of the patient. Composed of antibilious and cathartic vegetable ingredients, at once safe and searching, it is the only for disorders of the stomach, the liver, and the bowels, which can be relied upon under all circumstances, and in all climates. The idea of pain is justly associated with ordinary purgatives; but BRISTOL'S SUGAR-COATED PILLS do not create even an uneasy sensation, either in the stomach or the alimentary passages. Need it be said that they are the best household cathartic and alterative at present known?

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SASSAPARILLA should be used in connection with the Pills.

THE FLORENCE NIGHTINGALE OF THE NURSERY.

The following is an extract from a letter written by the Rev. C. Z. Weizer, to the *German Reformed Messenger*, at Chambersburg, Penn.:—

A BENEFACTRESS.

Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the Nursery. Of this we are so sure, that we will teach our 'Susy' to say, 'A Blessing on Mrs. Winslow,' for helping her to survive and escape the gripping, colicking, and teething siege. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it—nothing less. Away with your 'Gordial,' 'Paregoric,' 'Drops,' 'Laudanum,' and every other 'Narcotic,' by which the babe is drugged into stupidity and rendered dull and idiotic for life.

We have never seen Mrs. Winslow—know her only through the preparation of her 'Soothing Syrup for Children Teething.' If we had the power, we would make her, as she is, a physical saviour to the Infant Race. 25 cents a bottle. Sold by all Druggists.

A 'COUGH,' 'COLD,' OR IRRITATED THROAT allowed to progress, results in serious Pulmonary and Bronchial affections, oftentimes incurable.

BROWN'S BRONCHIAL TROCHES

Reach directly the affected parts, and give almost instant relief. In Bronchitis, Asthma, and Catarrh they are beneficial. Obtain only the genuine Brown's Bronchial Troches, which have proved their efficacy by a test of many years. Among testimonials attesting their efficacy are letters from—

E. H. Chapin, D.D., New York.
Henry Ward Beecher, Brooklyn, N. Y.
N. P. Willis, New York.
Hon. O. A. Phelps, Pres. Mass. Senate.
Dr. G. F. Bigelow, Boston.
Prof. Edward North, Clinton, N. Y.
Surgeons in the Army, and others of eminence.
Sold everywhere at 25 cents per box.

ENDURING POPULARITY.—If ever a luxury possessed the elements of enduring popularity, that luxury is MURRAY & LANMAN'S FLORIDA WATER. Its freshness, its purity, its delicacy, its unchangeableness, its wholesomeness, and its disinfectant properties: in the sick-room, place it far in advance of every other perfume of the day. No other toilet water is like it; nothing can supply its place; no one who uses it can be persuaded to use any other perfume. Hence the amazing rapidity with which the sales increase. It is so far superior to all other perfumes of this hemisphere that it may be said to have no second: it stands alone, and after being thirty years before the people, is now making more rapid progress than ever before.

Purchasers are requested to see that the words "Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine.

THE ROMAN CATHOLIC BISHOP'S SCHOOL, MONTREAL.

THIS School is under the direction of the Gentlemen of the R. C. Bishop's Palace.

The Course of Study is exclusively commercial.

Although the French and English languages are nearly on the same footing, Mathematics, Book-keeping, Forms of notes, Letters, Receipts, &c., are taught only in English.

Pupils may be admitted even at the age of six; the juniors have a special rule to follow; their teacher is a clergyman, and they receive, simultaneously with elementary education, the special religious cares required by their age.

Pupils from other educational institutions must furnish certificates of good conduct from the Directors of the same.

The course embraces three years for those who can read French and English and write when admitted; a fourth year is required for special studies.

Parents receive, at least every two months, a report of the conduct, application and success of their children.

All pupils above eight years old must attend the religious exercises in the Cathedral, on Sundays and Holidays.

Immorality, insubordination, habitual laziness and frequent non-attendance without just cause, render pupils subject to expulsion. Parents must make known the cause of the non-attendance of their children.

It can be obtained everywhere at one dollar per bottle. SARATOGA SPRING WATER, sold by all Druggists.

S. T.—1860.—X.—The amount of Plantation Bitters sold in one year is something startling.—They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake painted all the rocks in the Eastern States with his cabalistic "S. T.—1860.—X." and then got the old grumpy legislators to pass a law "preventing disgracing the face of nature," which gives him a monopoly. We do not know how this is, but we do know the Plantation Bitters sell as no other article ever did. They are used by all classes of the community, and are death on Dyspepsia—certain. They are very invigorating when languid and weak, and a great appetizer.

SARATOGA SPRING WATER, sold by all Druggists.

"In lifting the kettle from the fire I scalded myself very severely—one hand almost to a crisp. The torture was unbearable. . . . The Mexican Mustang Liniment relieved the pain almost immediately. It healed rapidly, and left very little scar. CHAS. FOSTER, 420 Broad St., Philada."

This is merely a sample of what the Mustang Liniment will do. It is invaluable in all cases of wounds, swellings, sprains, cuts, bruises, spavins, etc., either upon man or beast.

Beware of counterfeits. None is genuine unless wrapped in fine steel-plate engravings, bearing the signatures of G. W. Westbrook, Chemist, and the private stamp of DEMAS BARNES & Co., New York.

All who value a beautiful head of hair, and its preservation from premature baldness and turning gray, will not fail to use Lyons celebrated Kathairon. It makes the hair rich, soft and glossy, eradicates dandruff, and causes the hair to grow with luxurious vigour. It is sold everywhere.

SARATOGA SPRING WATER, sold by all Druggists.

WHAT DID IT!—A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a rustic, flushed face, she had a soft, ruby complexion, of almost marble smoothness; and instead of 22, she really appeared but 17. She told them plainly she used Hagan's Magnolia Balm, and would not be without it. Any lady can improve her personal appearance very much by using this article. It can be ordered of any druggist for only 50 cents. SARATOGA SPRING WATER, sold by all Druggists.

Heimstreet's inimitable Hair Coloring has been steadily growing in favor for over twenty years. It acts upon the absorbents at the roots of the hair, and changes it to its original color by degrees. All instantaneous dyes deaden and injure the hair. Heimstreet's is not a dye, but is certain in its results, promotes its growth, and is a beautiful HAIR DRESSING. Price 50 cents and \$1. Sold by all dealers. SARATOGA SPRING WATER, sold by all Druggists.

LYON'S EXTRACT OF PURE JAMAICA GINGER—for Indigestion, Nausea, Heartburn, Sick Headache, Cholera Morbus, &c., where a warming is required. Its careful preparation and entire purity makes it a cheap and reliable article for culinary purposes. Sold every where, at 50 cents per bottle.
