

Consider the Cost

A FACT not generally understood by those drawing up a will, is that the highly specialized and competent service rendered by a Trusts Corporation costs no more than the uncertain service of an individual trustee.

When you consider that your estate will receive the benefit of experience gained in the management of many estates, your heirs will be assured the utmost protection.

When you make your will, why not insure efficient and economical management of your estate by appointing this Company as Executor and Trustee?

We make no charge for assisting in drawing up your will—and will store it in our Safety Deposit Vaults free, when we are named as executors.

An officer of the company will be pleased to give you full information and advise on wills.

A Newspaper Devoted to Municipal Bonds

THERE is published in New York City a daily and weekly newspaper which has for over twenty-five years been devoted to municipal bonds. Bankers, bond dealers, investors and public officials consider it an authority in its field. Municipalities consider it the logical medium in which to announce bond offerings.
