1. RECEIVING THE PUBLIC
2. DEALING WITH THE PUBLIC
3. SHARING RESPONSIBILITIES
4. SECURITY REQUIREMENTS
5. SERVICING AND UTILIZATION
6. DISTURBANCE

The form consists of a large grid for plotting relationships. The grid is triangular, with the hypotenuse on the right side. The left side of the grid is composed of horizontal lines, and the bottom side is composed of vertical lines. The grid is intended for plotting relationships between different entities based on proximity and reason.
