

- (5) storage charges for articles mentioned in paragraph (3) during the period when they are held at customs and any measures required to protect these articles against natural elements, theft, fire and any other danger;
- (6) all permits, licences and other documents, including costs related thereto, if any, for equipment, materials, supplies or other goods required for the execution of projects and to enable Canadian firms and Canadian personnel to carry out their functions in Gabon;
- (7) all necessary visas and all import or export permits, as the case may be, for the Canadian personnel and their dependants and for the personal effects of such Canadian personnel and their dependants;
- (8) the prompt inland transportation of all equipment, products, materials, supplies and other imported goods required for the execution of projects, from the port of entry into Gabon to project sites, including the obtaining of priority service by Gabonese forwarding and transportation agents where necessary;
- (9) mileage allowance at the normal rates for journeys performed on official duties in accordance with the existing regulations of the Government of the Gabonese Republic, corresponding to the allowance given to Gabonese counterparts working with Canadian personnel. No claim is permitted for travelling between home and office. Canadian personnel who do not own or use a car for official duties will be reimbursed for the cost of actual transportation in conformity with applicable rates for Gabonese counterparts assigned to projects executed. Canadian personnel on duty away from their place of posting will also be eligible for a per-diem living allowance as well as reimbursement of hotel or accommodation expenses in accordance with the applicable rates for their Gabonese counterparts;
