- (3) that everyone is free to speak the language of his or her choice in Canada;
- (4) that, account being taken of geographical and demographical circumstances, everyone in Canada has the right to be served and administered in the official language of his or her choice;
- (5) that unilingualism cannot prevent a civil servant in the Canadian Government studying the possibility of setting up, organizing and implementing a parallel administration, one English-speaking, the other French-speaking, in all departments of the federal government;
 - (a) each department shall have two sections, one English, the other French; the size of these sections shall be proportional to the requirements of their respective administrative needs, which means that the departments shall not necessarily have the same number of employees;
 - (b) these departments shall be autonomous entities with equal responsibilities up to the deputy minister level, both the English-speaking and the French-speaking deputy ministers having similar authority and similar responsibilities;
 - (c) promotions in each department shall be based exclusively on merit.

At 5.45 o'clock p.m., Mr. Speaker interrupted the debate, pursuant to Special Order made Tuesday, June 5, 1973.
