

## HARVEY BADEN POWELL HANEY

The house in committee on Bill No. 194, for the relief of Harvey Baden Powell Haney—Mr. Garland (Carleton)—Mr. Johnston in the chair.

On section 1—Marriage dissolved.

Mr. SPENCER: Could we have some information regarding the children?

Mr. GARLAND (Carleton): There is one child, at present in charge of the petitioner, the father.

Section agreed to.

Section 2 agreed to.

Bill reported on division.

## HELEN STEELE

The house in committee on Bill No. 197, for the relief of Helen Steele—Mr. Jelliff—Mr. Johnston in the chair.

Section 1 agreed to.

On section 2—Right to marry again.

Mr. SPENCER: Could we have some information regarding this bill?

Mr. JELLIFF: My recollection from reading the evidence is that there are three children concerned; one is a married daughter with whom the petitioner is living at the present time and the other two are sons of the ages of twenty and twenty-two respectively, living with the father. I do not imagine that the question of parental care is a very vital one in this instance.

Section agreed to.

Bill reported on division.

## NEW WESTMINSTER PENITENTIARY

On the orders of the day:

Mr. W. G. McQUARRIE (New Westminster): On May 14, 1928, an order was passed for the return of certain papers in connection with the New Westminster penitentiary, but that return has not yet been brought down. I should like to ask the Minister of Justice whether he does not think it is about time we were getting that return.

Hon. ERNEST LAPOINTE (Minister of Justice): I will look into the matter, and if the return is ready, I shall be pleased to lay it on the table. But may I call the hon. member's attention to the fact that I do not think he has the right to criticize me, because, under the rules, a motion for a return drops after the session is over. If the motion has not been renewed this session, my hon. friend cannot get the papers as of right, although I will give them to him.
