

WARTIME HOUSING LIMITED—GREATER MONTREAL

Mr. FAUTEUX:

1. How many dwellings have been erected by Wartime Housing Limited within the area of greater Montreal?

2. What classes of dwellings have been constructed and how many of each kind?

3. What has been the cost, by groups, of each class of dwelling?

4. How many of each kind are actually occupied?

5. What rental is charged for each class of dwelling?

6. Are any restrictions imposed on the different classes of tenants?

7. Do all tenants come within the scope of these regulations?

8. Has the company received from the city of Montreal, or from any of the municipalities constituting greater Montreal, any requests for the utilization of all other dwellings within the limits of the city?

9. What arrangements have been made, if any, with the city of Montreal and the different municipalities constituting greater Montreal, for the leasing of any of these dwellings?

Mr. HOWE:

1. None.

2, 3, 4, 5, 6 and 7. Answered by 1.

8. No.

9. None.

The above questions are answered on the assumption that "greater Montreal" refers to the island.

SALVAGE—WILLIAM KNIGHTLEY

Mr. NICHOLSON:

1. What has been paid to William Knightley, salvage division, national war services, as (a) salary, (b) expenses?

2. What salary and expenses will be paid to him as associate director?

3. What will be paid to C. Laferle, newly appointed director of salvage, as (a) salary, (b) expenses?

Mr. THORSON:

1. (a) \$3,720 per annum.

(b) \$947.11 from March, 1941, to date.

2. (a) \$3,720 per annum.

(b) Actual out of pocket travelling expenses when on departmental business.

3. (a) \$5,000 per annum.

(b) Actual out of pocket travelling expenses when on departmental business.

MILITARY SERVICE—APPLICATIONS FOR POSTPONEMENT OF TRAINING

Mr. FAIR:

1. How many men have been called up for training under the National Resources Mobilization Act in each of the provinces?

2. How many applications for postponement of training have been made in each province?

3. How many applications have been granted in each province?

Mr. THORSON:

Provinces	1 Number of men called up for military training under the National Resources Mobilization Act in each of the provinces, and accepted at National Defence (Army) basic training centres, since October 9, 1940, up to March 12, 1942	2 Number of applications for postponement of military training that have been made in each province, since October 9, 1940, up to March 12, 1942	3 Number of applications for postponement of military training that have been granted in each province, since October 9, 1940, up to March 12, 1942
P.E.I.	1,013	549	463
