Mount Royal Club,
Montreal.

Dear Mr. Hill:-

You will not, I am sure, mind my calling your attention to two things with reference to myself. I do this only because I know you wish your records to be absolutely correct:

- (1) My military title is not "Major-General", but "General";
- (2) I am not a "K.C.M.G." but "G.C.M.G."

Yours faithfully,

Principal.
