# Placed Nitro-Glycerine in Buildings and Either Waited to Standard of Excellence of the Young People's Societies, and Wide Program, Has Been Set.

Progressive plans were announced yesterday by Rev. J. C. Robertson, secretary of the general assembly's committee on Presbyterian Sabbath schools and young people's associa-tions. The committee yesterday took possession of a new suite of three office rooms in the east wing of the Con-federation Life Building.

federation Life Building. The executive at its first meeting, just held, decided to set apart the first Sunday in February for the celebra-tion of the centenary of the birth of Dr. Livingstone, by the Young Per-ple's Association, and to hold a Liv-ingstone service in the Sunday schools on the last Sunday in March. A new constitution for the young perplete societies is to be prepared and

A standard of excellence for young people's societies was adopted. The standard calls for the society to be n all the year, an annual canvass of eligible for membership, oflicers and conveners regularly insus-led, standing committees reporting monthly, devotional exercises at every monthly, devotional exercises at every meeting, membership actively sharing in all the work of the society, one or more study classes, systematic giving by all, loyal support of congregational activities, active co-operation in the plans of the general assembly's young people's society committee.

## JARVIS STREET FIRE

Fire did \$2500 damage to the plant and stock of the Positive Clutch and Pulley Co., at 13 Jarvis st., last night about 7.40. The blaze started in the front of the building from an unknown cause, but the splendid work of the firemen prevented it from spreading to other buildings. The damage to the stock was \$2000 and \$500 to the building, both covered by insurance. oth covered by insurance.
