

KRUGER GETS RED SHOULDER AS HE WILL NOT GO TO BERLIN

The Emperor Cannot Receive the Ex-President Owing to Previous Engagements, and Mr. Kruger Will Hasten Thru to the Dutch Capital.

Cologne Gazette Intimates in Plain Language That the Ex-President is Not Wanted in Germany and That There is No Possibility of Encouragement to the Proposal for Intervention in South Africa—Frenchmen and Belgians Cheered as Mr. Kruger's Train Passed.

Berlin, Dec. 1.—Mr. Kruger has abandoned his proposed visit to Berlin, owing to the receipt of an official intimation that Emperor William rejects it. In consequence of previous arrangements, he will be unable to receive him. The Boer statesman will therefore proceed direct from Cologne to Holland. He telegraphed to this effect this afternoon.

The Cologne Gazette, in an inspired comment, says: "Kruger's visit is not agreeable to Germany, his aim being to obtain intervention in South Africa. It would be a grave political mistake to allow him to entertain even a spark of hope that Germany will render him any practical support."

The declaration is accompanied with rejoicings. Mr. Kruger being charged with having encouraged a useless guerilla war and having disregarded Germany's advice which he might well have followed. The press generally shares the same note.

The Emperor's intimation was conveyed to Mr. Kruger by the German Envoy at Luxembourg, who arrived at Cologne to-day.

At the abrupt snub given to Emperor Paul by the German Emperor.

London, Dec. 3.—All the London morning papers comment, with unbounded enthusiasm upon the abrupt snub administered by Emperor William to Mr. Kruger, which is all the more noticeable when contrasted with the Boer statesman's conduct on his visit to France. The snub is regarded as further evidence of the better relations existing between Great Britain and Germany since Emperor William's visit to the German Minister at Luxembourg was the outcome of a despatch which Mr. Kruger sent to the Kaiser, on arriving at the German frontier.

MANCHESTER AND HIS BRIDE ARRIVE ON AMERICAN SOIL

Father-in-Law Zimmerman Was On Hand and Warmly Welcomed His Hopeful Duke and Forgiven Duchess—A Tour of the Country as a Honeymoon.

New York, Dec. 1.—The Duke and the Duchess of Manchester, formerly Miss Hilda Zimmerman of Cincinnati, arrived this evening on the American Line steamship St. Louis. Mr. Zimmerman, father of the Duchess, who has been in town about a week awaiting their arrival, went down the bay in the revenue cutter and boarded the vessel at quarantine. He was the first to welcome the pair, and to tell them of the plans he has made to make their visit a pleasant one. He found them on deck, and after an affectionate meeting they went below to make out the customs declaration.

Will Tour the Country. The Duke and Duchess will make a tour of the country before they leave for England again. The Duke, when speaking of his plans said that whatever Mr. Zimmerman said would be agreeable to him. Mr. Zimmerman, in turn, said that the details of the trip went south depended on the Duke.

Detectives Were Also There. The father of the new Duchess was not the only one who went down the bay to meet the St. Louis. On the cutter went James F. Valley and Charles Stripp of Police Headquarters. They went down to meet the Duke and had a short conversation with him before the vessel reached the pier. Both officers refused to say anything as to the nature of their business with the nobleman, but it is said that they went down to inquire about the Duchess's maid, who found and returned the jewels lost by Mrs. Fannie Ward Lewis. After the vessel landed they went with the pair to the Holland House, introduced to reporters.

The Duke of Manchester was introduced to the newspaper men by Mr. Zimmerman. He spoke of the pleasure he felt in retracing to this country with Her Grace, and the bad weather they had had while coming across.

The Jewel Incident. Speaking of the jewels which were lost by Mrs. Fannie Lewis, and returned by the maid after her arrival in Ireland, the Duke said: "Her Grace was visiting Mrs. Brown Potter at the time they were found. Her maid was waiting in the garden, and picked up a jeweled purse, containing some rings, the price of her pocket, and in the excitement incident to our leaving Ireland, overlooked the matter. When she arrived there she found a card in the purse with Mrs. Lewis's name. She then returned the purse and its contents to her. That is all there is in the affair."

The Program. Mr. Zimmerman said that they would remain in New York for two or three days, and then leave in a special car of the Cincinnati, Hamilton and Dayton Railroad for Lima, Ohio. From there they will go by special train to Cincinnati. After remaining three weeks they will go south, stopping at Natchez. There they will spend several days visiting the Duke's grandmother. They will then go as far west as Memphis, and return by way of Denver and Salt Lake City to New York.

Other Notables on Board. Mrs. Sembrich and her husband, Prof. Steudel, were also on board. Mrs. Sembrich is a daughter of Philadelphia, well known as an African explorer, and also a passenger. He returned from his second trip to the interior of Africa.

THE RIETFOUNTAIN FIGHT WAS A RIGHT HOT ONE

Gen. Paget Had Closed in on Viljoen and Erasmus and Intended Attacking Their Position in the Morning.

But the Boers, Having Been Reinforced, Made a Desperate Rush on the British—Fighting Was Severe and Boers Were Defeated With Heavy Loss—Despatch From Kitchener.

Bloemfontein, Dec. 2.—Further details have been received regarding the fight near Rietfontein between the British under Gen. Paget and the Boers under Commandants Viljoen and Erasmus, Nov. 28 and 29. Gen. Paget, towards evening of the second day, closed in upon the Boer position with the intention of attacking next day at dawn. The Boers, however, with reinforcements including three guns, made a desperate attack and a severe fighting ensued.

The Boers, who were repulsed with heavy loss, withdrew in a northerly direction. Gen. Paget, having occupied their position, sent mounted infantry in pursuit. The New Zealanders displayed great gallantry, five out of the six officers being wounded.

MR. ROBERTS AT LADYSMITH. The Commander-in-Chief Visits the Scenes of Buller's Trials and Triumphs.

Ladysmith, Natal, Dec. 2.—Lord Roberts, who arrived here on Friday, had inspected Malaba and Laing's Nek while en route.

Replying to an address from the townspeople here, he expressed his admiration of the gallant defence of the town, which he characterized as a "glorious memorial to British pluck and endurance, only equalled by the determination and bravery of the relieving force."

He said he trusted the day was not far distant when peace would reign supreme and "without ill-feeling toward a conquered foe."

Lord Roberts has visited Colenso and the surrounding battlefields.

CANADIANS NOT SURPRISED At the Late Boer Success—Belief That Kitchener Will Bring Things to a Climax.

London, Dec. 1.—Special Cable Letter by the Associated Press.—South Africa. The public is agitated at Gen. Dewet's recent success at Dewetsdorp, where he captured the British garrison of 600 men and 20 guns, as already cabled to the Associated Press in detail.

Canadian Officers Not Surprised. The Canadian officers who returned here from South Africa this week expressed no surprise at the reversal of Boer success. They only wonder that they had not been greater. The Canadians, however, are unanimous in their belief that Lord Kitchener is the right man to deal with the Boer problem.

Another Boer Fight. Gen. Kitchener also reports that Gen. Paget was fighting Nov. 28 and 29 with the Viljoen and Erasmus commandos, and that he drove the Boers to a position in the vicinity of Rietfontein.

The British casualties were heavy. Colonel Lloyd and five other officers were wounded, five men were killed and fifty were wounded.

Great Fight in Progress. The Evening Standard reports that a great fight is in progress between Gen. Knox and Gen. Dewet near Rouville, in the southeastern extremity of the Orange River Colony, and that the capture of Gen. Dewet is considered imminent.

Another Boer Commando Thwarted. Bloemfontein, Orange River Colony, Dec. 1.—A patrol of fourteen South African Cavalry during the night of Nov. 29 engaged a commando of Boers, who were marching southward of this town, with the result that 35 Boers are reported to have been killed or wounded.

No Further Details of Dewetsdorp. London, Dec. 3.—No further details have been received regarding the capture by the Boers of the British garrison at Dewetsdorp, Nov. 28, but it is said that Gen. Dewet had seven guns.

WAS A CLEVER WRITER. Montreal a Clever Knew Him Well as the Author of Narratives and Verses.

Montreal, Dec. 2.—(Special.)—Mr. Arthur Weir, who came to such a tragic and untimely end at Ottawa, was known by nearly everyone in Montreal for his trite verse. Indeed, he was known as one of the best of the kind in Canada, and he had written many narratives in verse and excelled in his perfection of form and simplicity of style. He was for years secretary of the Montreal clearing house, and was an acknowledged authority on commercial subjects. He was, in fact, a notable contributor to the leading city newspapers. His historical work was most admirable, and most of the descriptions of Montreal, which were printed in special editions, were always done by Arthur Weir. Any great occasion was almost sure to be followed by a fine poem from his pen.

THE LONDON PAPERS PLEASED

At the abrupt snub given to Emperor Paul by the German Emperor.

London, Dec. 3.—All the London morning papers comment, with unbounded enthusiasm upon the abrupt snub administered by Emperor William to Mr. Kruger, which is all the more noticeable when contrasted with the Boer statesman's conduct on his visit to France. The snub is regarded as further evidence of the better relations existing between Great Britain and Germany since Emperor William's visit to the German Minister at Luxembourg was the outcome of a despatch which Mr. Kruger sent to the Kaiser, on arriving at the German frontier.

Mr. Kruger's intimation was conveyed to Mr. Kruger by the German Envoy at Luxembourg, who arrived at Cologne to-day.
