THE FURS FOR

SPRING

It should appeal to you this opportunity to purchase fur garments that will look stylish when worn with a spring costume and will be the proper thing for fall and next winter's wear. Everything is at summer prices, which will be at least 50 per cent. lower than ruling prices next fall.

To purchase to-day is to make a wise investment. We are showing partic-

ularly some beautiful lines of Royal Canadian Mink Ties and Muffs.

Fire Drill Shows Great Progress-Principal Appointed-Suburban Items.

TORONTO JUNCTION, March 24.-Extra precautions against an outbreak of fire and means of safety in case one should occur were the prewailing sentiments at the school board

meeting to-night. Supervisor Wilson stated that the fire drill was being rigidly enforced in all the schools, and cited Carlton School as an example, where on two occasions last week every pupil was eight rooms in the school the board was satisfied that the drilling has attained a high degree of efficiency.

Put Juniors Below.

The supervisor asked the board's permission to have the junior class at Carlton School moved to the ground floor. The class meets upstairs at present, and in case of nre it might be difficult to get the youngsters out

without mishap.
The supervisor's report showed the total school registration during February to be 1768. The attendance for

Annette-street 600 Western-avenue 469 Carlton ... 449

Bt. Clair-avenue .. Device Was Too Good. An agent saying he represented "the fire alarm" was present and demonstrated the workings of an apparatus which would automatically give the alarm in case of fire. He wanted the board to install the alarm in the different schools at \$5 per school, and asked permission to give the board a practical demonstration of how the alarm worked. It proved so effective that the firemen who were on the point attire and were preparing to rush out the hose wagon. Needless to say they were not well pleased at the proceed.

ALL NEED SPRING MEDICINE.

Very Necessary to Cleanse the System of All Unhealthy Matters.

Those who neglect taking suitable Climbing.' medicine in the spring are apt to feel liver of its load of bile, to strengthen ally is topsy-turvy, where the carpenthe kidneys and brace up the appetite, ters are at work on the new bowling. The surest and best spring medicine is alleys, which will be opened in a few to do great good—taken at night, their purifying, healing properties filter all through the system and by morning you feel like new. Wonderful the change they make even in one week. "Last spring I was pale, felt tired and bilious, had little appetite and frequent attacks of sick headache. I tried different tonies without much benefit, but picked up from the day I commenced Dr. Hamilton's Pills. My stomach got stronger, I ore, slept better, gained in weight e more, slept better, gained in weight Crawford will open an inquest at the city morgue to-morrow morning at 11 Dr. Hamilton's Pills. As a spring medicine nothing could be better."—J. O. ander Anthony of Coleman-avenue, a Potter, Marysville. All dealers sell Dr. section hand, which occurred a short

The trustees of Victoria Presbyter-in Church sent a letter to the board asking for the \$150 which they prosed to charge the board for the use of the church basement for school purposes during two months of last fall. Trustee Hall did not like the tone of the letter, which he regarded as rather cynical, but the money will

Must Notify Principals.

Trustee Fullerton asked the secretary what specified time the caretaking school hours. It seems that the caretakers for different reasons leave the schools at times during the day so on the recommendation of Trustee Fullerton, the chairman, Dr. Hackett, advised the secretary to instruct each caretaker not to leave the building during school hours without notifying the principal. In view of this measure Trustee Hall recommended that a suit-able rom be provided for the careful to spend his time in the school corridors or the furnace room. Trustee Williamson also complained that some children had a long distance to walk home at the noon hour and thought a room at the school should be allowed where they could eat their lunch

during recess.

After a lengthy discussion the board promoted Principal Colvin of St. Clair Avenue School to the principalship of Carlton School, in succession of the late Mr. Jewitt. Acting Principal Hancock of Carlton School was appointed Mr. Colvin's successor as principal of St. Clair Avenue School. The appoint-

ment will come into effect after the summer holidays.

A committee consisting of Trustees Hackett, Hall, Wright and Supervisor Wilson were appointed to wait upon the private bills committee of the legislature to urge that the bill asking for \$25,000 for a new school for the Junc-

tion be passed.

A resolution of condolence with Mrs. Jewitt on the death of her husband, who was principal of Carlton School, was passed. The resolution will be sent to Mrsfl Jewitt. The Junction's bill will come before the private bills committee of the le-

gislature at 10 o'clock to-morrow mornarranged for a special appointment. Case Was Adjourned.

The hearing of the case against Fred Riley, John Sullivan and Michael Martin, who were arrested last week on a burglary charge, has been adjourned for a week. Sullivan, who was wounded by a shot from Sergt. Peters' revolver, is not yet able to leave the hospital. Hundreds had assembled at the police court this morning to hear the proceedings, thus showing the interest

taken in the case by the town people at large.

FARMERS SHOULD TAKE UP **GOOD ROADS QUESTION**

All to Their Own Best Interests, Says Lieutenant-Governor in Opening Convention.

Clark attended at the opening of the

element in the prosperity and stability of the empire. With this standaru, Ontario compared unfavorably. He knew of one case where a roadmaster had put soft mud on the road when he might at less expense have put good gravel, and then explained his action by saying that the gravel would make

the roads hard and the farmers would complain of having to have their horses In Canada hitherto attention had been given chiefly to railway construction and municipalities had been assessed to bonus these and properly so because the establishment of a railroad was a great boon. Railways, however, would be of little benefit to the farm-ers unless there were good roads to connect the farm and the railway.

Worth Spending On. was unfortunate, said his honor, farmers had been rather disinchined to spend much money on the roads because the construction of such roads would be of immense value to of 487 miles of road, and it was expect-them financially. During many years ed that this work would practically be of his professional practice he had been connected with loan companies and he knew that the value of a farm depended largely upon its situation in relation to the roads. The bad roads blocked the transport of goods to the market, causing both loss and injury, to say nothing of the wear and tear upon

horses, wagons and harness.
The social life of the farmer, continu-A big deputation from North York cheered lustily when the private bills are really because of the bad roads. It was a matter of great consequence to the country to make farm life happy and comfort-able for the young. The disposition of cities and towns was greatly to be de precated and this would be checked by the building of good roads, which would improve the opportunities of so

The people of Ontario had entered upon a vast heritage and without doubt the Province of Ontario was the greatits wealth, but also to the condition its people and their manner of liveli-hood. It was their duty to utilize this

The province was indebted to the association for the interest its members had taken in the question of good roads, said his honor, and he hoped that they would continue their work and educate the public mind, for other-

wise the question would fall asleep. W. H. Pugsley of Richmond Hill. the lieutenant-governor for having been present at the meeting. The more cheaply and the more easily the farmer could get his product to the market the better for the farmer.
Warden Keith of York County said

that there were many obstacles in the way of good roads, but in finding means to overcome those difficulties the meeting would be doing a public service. Frost, he thought, was the great ere my of good roads and spring thaws washed away a great deal of the work of the previous season. He was sorry to say that the County of York had not yet adopted the county system of

benefit of good roads or the advisability

Wentworth's Example. W. J. Gage of Hamilton said that Ventworth County had 150 miles of mproved roads and the county system had proved generally satisfactory to the ratepayers. They had found that the permanency of the work depended upon the man in charge. The snow prolem had been solved by preventing the ccumulation of snow by assisting the farmers in building wire fences. They had built 25 or 30 miles of road a year. The debenture indebtedness of the county was \$98,000, the greater part of

John Coffy of Barrie said that Simcoe County was well satisfied with the county system of roads. There the roads had cost from \$300 to \$500 a mile. The plan involved the improvement completed this summer.

Thomas Anson of Waterloo County county road system was to adopt the debenture system of paying for them. They should go slowly and pay for the work by annual levies. County councils should not wait for the ratepayers to authorize the work, but should lead S. A. Egan of Bolton, Peel County,

thought that the debendure system was the only practical and business-like way of paying for the work. The cost should be extended over at least 30 years. The scheme had not worked the chamber of deputies to automatically convert a decree of separation into a divorce at the end of three years.

25 Toronto St., Toronto, Ontario.

Committee to Report. Thomas Anson said that public opinien was more in favor of the count system now that the county cound were made up of the officials of the other municipal councils.

Col. Farewell of Wnitby said that the county system had not been adopted Ontario County because the count had not taken the people sufficiently it to its confidence and exaggerate stories had been circulated against it scheme.
