Richmond, Va., April 21,-Injoie's men made the count two out of four with Richmond by winning today's game by the decisive score of? to 0. It was the first time that Richmond has been white-washed this scoson, and it was all due to the twirling of Letty Thompson, who yesterday was driven from the mound in the second frame. vesterday was driven from the mound in the second frame.

Thoripson gave a nice demonstration of twirling. He allowed orly four hats and famned nine men, taking Reynolds, Mooers and Distel in succession in the seventh without over-exerting himself.

Wyaft Lee opposed Thompson for seven and one-third inalogs, and was found for indirect the control of the seventh with the control of which was a triple by McConneil, which secred two runs.

With Clemens out on a fly to Whiteman, McDermott drew a pass, Hendord fanned and Kelly threw to McConnell, who caught MoDermott stealing. In the second inning Distel fanned and Kelly—threw to Bleckhurne, who, with Lajoie, doubled Reynolds between bases, Blackburne making the out.

Manager Smith announced the rolerse of Outfielder Bruce and Infielder Hartsell, and the signing up of McConnell, the fast shortstop, who was loaned to Tofast shortstop who have the state of two runs in the second inning came as the result of two-base hits by Lajote and Graham, a single by Trout and a wild peg to first by Reynolds.

Graham's single in the sixth, followed by Blackburn's sacrifice, and a long single by Trout scored another run.

Trout's single in the eighth, a sacrifice hit by Kelly, a single by Thompson, Jacobson's base on balts and a three base drive to right field by McConnell, followed by a sacrifice fly by Whiteman, scored fours runs in that inning.

ZABEL REPORTS TODAY.

Pitcher Zahel, secured from Fred Mitchell's Chicago Club, was in communication with the local baseball headquarters over the long distance telephone last night. He will report to the club at Newark today.

Nobody better than the local management of the Leafs knows what is needed to put the club in the running. It is pitchers, and all the big league club have been approached in an endeavor to kend the urgently needed material. With a couple of pitchers Larry would be very much in the hunt. The management will get them and then watch the Leafs.
