Ship, Savona arrived at Buenos Ayres from St. John N. B. The steamer St. Helena, which was libelled by the crew last winter while in Halifax, arrived in New York a week ago from the Canary Islands. On her arrival at New York she was again libelled for \$3,000 at the instance of her former master, Captain Mason.

The steamer Dominion, Capt. Henry Dawson, R. N. R., arrived at Louisbourg on Monday night from Gibraltar, after a very good passage of a little over fourteen days. Although the latter part of the voyage across was attended with bad weather, still the steamer made an excellent run. Captain Dawson, is the commodore, so to speak of the fleet of Bowring steamers under charter with the Dominion Coal Co. The Dominion is now loading a cargo of round coal for Boston. After which she will come to Halifax to dry dock.

Was Blinded By Eczema.

Suffered Intensely For Three Years and Was Horribly Disfigured.

Skin Now as Smooth as a Baby's. Thanks to Dr. Chase's Ointment.

Such cures as the one described below are what have given Dr. Chase's Ointment a world-wide reputation as the standard ointment and the most satisfactory treatment ever devised as a cure for itching skin diseases.

Mrs. Robert Clondening, Welland Station, Ont., writes:—"For three years my daughter, Fanny, was afflicted with eczema in an intense and persistent form, and for nine days she was totally blind. The itching and disfigurement were horrible, her entire face being completely raw for months, and the distress so great that she could not sleep."

"The best efforts of two eminent physicians failed to even mitigate her awful suffering. One day when I was low-spirited over my daughter's condition Dr. Chase's Ointment was recommended to me and to our surprise Fanny was helped with the first box and she has since been entirely cured by this treatment."

"Her face is now as smooth as a baby's and she is in splendid health. The credit for this cure is entirely due to Dr. Chase's Ointment, and I cheerfully give you permission to state my daughter's case, hoping that it will lead many others to secure the same good results."

Dr. Chase's Ointment is recommended and sold by all dealers at 60 cents a box, or sent post paid on receipt of price by Edmundson, Bates & Company, Toronto.

A SHIP OF DEATH.

San Francisco, April 20.—The American bark Minerva, which reached Boston, Monday, just before the transport Sherman sailed from Manila, had been given up for lost, as she was 70 days in making the voyage from Saigon. The crew were down with small pox, and her-beri and many lay dead on the deck when the vessel reached the Borneo port. After very rough weather smallpox and her-beri broke out, and soon, from the captain down, all were helpless. A course was laid for Labuan and the vessel sailed herself. A correspondent who boarded the vessel on her arrival at Labuan writes:

"The Minerva was, indeed, a phantom ship. In front of us on the main hatch, one of the sailors was lying among oil and grease, half unconscious, and also unable to move. In the fore-cabin, another dead sailor or was lying with living comrades helpless beside him. The two sailors had died during the night. On deck, beside the fore-cabin, a group of sailors huddled together, quite helpless and about the deck here was lying among oil and grease, half unconscious, and also unable to move.
