TOM DALY HAS WON HIS PLACE

St. John Player's Success With The White Sox
HE IS NOW NEXT TO SCHALK

Newspaper Writer Quotes Veterans as Saying Daly is One of the Coming Stars of the American League

Larry Wells in the Chicago Examiner of recent date has the following to say about Tom Daly, formerly of the city who is with the Chicago White Sox.

"Ray Schalk is going to have some help this season, and his helpmate is no other than Charles Rowland, the checked lad who toured the world with the White Sox-Giant party, and who was used in the outfield, infield and behind the bat at various times during the American League pennant fight of 1914.

"You are to catch for me and I know you can deliver," was Rowland's bright cry. Daly, although following instructions, he realized that he would not replace Schalk as the first string catcher. But no ball club is complete without a first class second string catcher, and the Sox had to have such a performer.

"The honors looked won by Red Kuhn when all of a sudden the wonder ball Schalk was obtained from Milwaukee Brewers. The few old-timers with the Sox assert that Daly is one of the coming stars of the American League.

"Of course Schalk will do the bulk of the backstop work. He is too valuable a man not to have in there at all times. At the same time the little backstop will be even more valuable to the club if he is allowed a day of rest occasionally. And that day of rest would not be given him were it not for the fact that a capable understudy has been found in Daly.

"Daly was started for the first time this season in the game against the Indians not long ago. His work was of a high order. Wounded little Schalk could not have done better. Tommy, besides catching both Benz and Cloette in splendid fashion, was a prominent figure in the attacking party. He tore off three clean hits and drew one base on balls.

"Daly is a youngster of clean habits and loves the game. And now that he realizes that he is to get a chance to start a game every now and then he has more pep and glee than at any time since joining the Sox. His work in the series with the Senators showed that Rowland is a good judge of a player's capabilities. While Schalk was missed, his place was ably filled."

OLD TIME SPORT

Great Race of Frank Dowd and Black in Victoria Rink
McCORMICK AND LAIDLAW

The three mile record of the Victoria rink was broken by Frank Dowd of Montreal, in February, 1888, when he ran and defeated Black, of Vergara, Ontario. Only 800 people witnessed the race. Before he went on the track they said they were going to skate to break the record and from the word 'go' no one who realized their goal could doubt that they would smash it all to pieces.

At the start Black took the lead and with long strokes set the pace, while Dowd took his easy graceful style much better than his opponent's and giving a close observer the idea of immense reserve power. The people recognized him as the one man in Canada who was a match for their own champion, and they accorded him that respect which a worthy opponent secures anywhere.

The men warmed to their work in the first half mile and three times registered 1:38 for that distance. The pace increased in the second half and the mile ended in 3:15 without a change in positions. Then with one of his spurts Dowd dashed by Black. The crowd cheered and the pace became faster until, on the eighth lap of the same mile, the Ontario boy showed great speed and made Daly one of the regular catchers. Tommy's work impressed Rowland and he told the pink checked lad to keep out of the infield and outfield.

"You are to catch for me and I know you can deliver," was Rowland's bright cry. Daly, although following instructions, he realized that he would not replace Schalk as the first string catcher. But no ball club is complete without a first class second string catcher, and the Sox had to have such a performer.

After Suffering Almost Two Years "Fruit-a-tives" Brought Relief

882 St. Valer St., Montreal.
In 1912, I was taken suddenly ill with Acute Stomach Trouble and dropped in the street. I was treated by several physicians for nearly two years. I was in constant misery from my stomach and my weight dropped down from 225 pounds to 160 pounds. Several of my friends advised me to try "Fruit-a-tives" and I did so. That was eight months ago. I began to improve almost with the first dose. No other medicine I ever used acted so pleasantly and quickly as "Fruit-a-tives", and by using it I recovered from the distressing Stomach Trouble, and all pain and Constipation and misery were cured. I completely recovered by the use of "Fruit-a-tives" and now I weigh 208 pounds. I cannot praise "Fruit-a-tives" enough.

LARRY McLEAN WAS SUSPENDED

Manager McGraw Says He Was Leading Merry Life - Negotiations With Federals?

St. Louis, Mo., June 10.—Upon the Giants' arrival here, Larry McLean, catcher, received official notice of suspension. Manager John J. McGraw has set the big furlow down for failure to observe training rules. McLean was given his transportation and told to return to New York.

According to McGraw, McLean has been leading a merry life since the season began. McGraw declares that he had warned McLean repeatedly. He says McLean failed to take heed of the warning. When McLean violated a strict rule in Chicago, McGraw says there was no other alternative for him to do but to suspend him without pay.

McLean denied he was guilty of the matter. He denies that he has been breaking rules and says that his suspension is not warranted.

"I have not broken any rules," said McLean. "There never has been a time in my baseball career when I have kept myself in better trim than I have this year. Since I was to get a bonus on July 1 I looked to me as if a scheme was concocted to do me out of the money. In my contract it is stipulated that if I behaved myself I was to get a certain amount this year, the first installment to be paid the first of next month. Knowing this, you think that I would run any chance of losing it? I have kept myself in shape all year."

In the notice McGraw served on McLean, McGraw says that he saw McLean drinking in a Chicago saloon on last Monday. McGraw says this is not true, for as Monday was election day in Chicago, the saloons were all closed.

Discussing McLean's case, McGraw said: "I have put up with that fellow long enough. As far as the Giants are concerned, he is through."

St. Louis, June 10.—Larry McLean who was suspended for the remainder of the season because he had broken training rules in Chicago, will be allowed to play with his team at the expiration of ten days.

In 1912, I was taken suddenly ill with Acute Stomach Trouble and dropped in the street. I was treated by several physicians for nearly two years. I was in constant misery from my stomach and my weight dropped down from 225 pounds to 160 pounds. Several of my friends advised me to try "Fruit-a-tives" and I did so. That was eight months ago. I began to improve almost with the first dose. No other medicine I ever used acted so pleasantly and quickly as "Fruit-a-tives", and by using it I recovered from the distressing Stomach Trouble, and all pain and Constipation and misery were cured. I completely recovered by the use of "Fruit-a-tives" and now I weigh 208 pounds. I cannot praise "Fruit-a-tives" enough.
