TEAS STEADILY ADVANCING.

Teas—Advances from primary markets continue to indicate a strong situation with upward tendencies. Locally there are no changes, but as stocks are higher there is a strong possibility of further advances, as importers state prices are still far below cost of replacement.

The above statement in the "Canadian Grocer" of March 10 is authoritative. Those who understand the tea situation say that unless the price becomes easier on the primary market, very soon the consumer may expect to pay ten or fifteen cents more a pound for tea.

We Adopt the Great New Process

PURITY IS THE ONLY HEATHIZED CARBONATED ICE CREAM MADE IN NEW BRUNSWICK

Don't make any mistake. If you want Heathized Carbonated Ice Cream be sure to ask for Purity. Because if it isn't Purity it isn't Heathized.

Purity Ice Cream Co., Ltd., control the exclusive right to manufacture ice cream under the Heath patents in New Brunswick.

When we discovered the tremendous advantages of making ice cream this purer, better way we at once secured the sole right to this process for our territory. We know it was the biggest and most important advance in ice cream manufacturing in the history of the industry.

We knew that ice cream frozen in ordinary air was always of doubtful purity. We found out that ice cream made in air was lower in food value, oxidation by air destroying the vitamins food value, the precious elements of food without which we cannot live.

So we secured the right to Heathize our ice cream. It is costing us thousands of dollars a year just to add this greater safeguard to the purity of our ice cream, but we don't ask the public to share this expense. The Purity ice cream you buy doesn't cost you one cent more. You have the advantage of knowing that when you buy Purity ice cream you are buying the purest and best ice cream that science, money and brains can produce.

INSIST ON PURITY HEATHIZED ICE CREAM

And, remember, when you buy ice cream, whether it is a dish at the nearby soda fountain, or a brick or carton to take home for the family, be sure that its Purity. If your dealer hasn't it, go to a Purity Dealer.
