## EXPECT NICE SURPLUS AGAIN

Water Assessment Presented  
By Commissioner Wigmore

AN INCREASE OF \$12,666

How This is Accounted For—  
Larger Valuation Accounts For  
\$5,000 — Surplus of \$30,000  
May Be Seen Again

The water assessment for 1913, which was presented to the common council this afternoon by R. W. Wigmore, commissioner of water and sewerage, shows an increase of \$12,666.71 in the revenue. Part of this increase is accounted for by an additional tax of \$5,000.00 on the assessed value of real estate and stocks, due partly to the higher values fixed by the assessors this year and partly to the value of new buildings. The balance, amounting to \$7,666.71, is on the specific charges for the service according to the number of families, fixtures, etc.

The large amount of plumbing installed to replace old-fashioned fixtures in response to the orders of the board of health accounts for part of this, the number of new houses all fitted completely with modern plumbing being erected and the increase in population responsible for the balance.

Last year there was a surplus of about \$80,000 at the end of the year's operations, and this year, in spite of heavy expenditures for renewals, etc., which are charged to current revenue, it is probable that the department may make as good a showing. Better methods, more careful oversight and more business-like methods have so reduced the cost of operation that the cost of the service has been materially reduced.

A summary of the 1913 assessment is as follows:

	Valuation	Real estate	Stocks
North	\$ 4,080,400	648,800	
East	18,880,600	2,864,100	
West	1,094,800	48,100	
Lancaster	7,874,800	199,700	
	20,930,600	8,760,700	
For 1912	18,107,100	8,607,900	
Increase	\$ 2,823,500	1,152,800	
	Valuation	Supply	Total
North	16,178,700	29,415,75	\$4,899,45
East	46,207,50	46,129,25	\$9,807,15

## LOCAL NEWS

### THE STEAMERS

Battle line S. S. Treble, Captain Starrett, for Rio Grande del Sul, sailed from Santos on Saturday.

C. P. R. liner Montfort, from Antwerp, July 9, arrived at Quebec at half past seven o'clock this morning.

### THE VISIT OF THE GEOLOGISTS.

A special committee from the Natural History Society met with Mayor Frink in the latter's office at two o'clock this afternoon to discuss some of the final arrangements for entertaining the members of the World's Geological congress here on July 30.

### DENTAL EXAMINATIONS

The Council of Dental Surgeons of New Brunswick have appointed Dr. Fenwick C. Bonnell of St. John, and Dr. H. S. Thomson of Moncton, as the board of dental examiners of New Brunswick for the college graduates wishing to practise in the province.

### SUNBURY WEDDING

At the Methodist parsonage in Fredericton on Saturday morning, Linus Seely, of Blissville, and Miss Susie Hornman, of the same place, were united in marriage. The ceremony was performed by the Rev. Neil McLaughlin. Mr. and Mrs. Seely returned to Blissville, where they will reside.

### POLICE REPORTS.

The street department has been notified by the police of two dangerous holes in city sidewalks, one in the plank sidewalk on the south side of Mark Bridge and the other at the corner of Meadow and Forest streets.

Walter Cooper has been reported by Sergeant Finley for allowing his unlicensed dog to run at large.

### MUST USE CITY WATER

After spending a large sum of money on efforts to secure a water supply of their own for their new factory, by boring operations, T. S. Stimms & Co., Ltd., have found it necessary to depend on the city's supply from Spruce Lake for their entire supply for both use in the factory and for fire protection. Connections with the eighteen inch main which passes in front of their property were made today.

### ON THE RIVER

A ple social at Public Landing, which was held at the pavilion at that place on Saturday evening, was a great success. Nearly or quite 300 people were present, the majority of them being young ladies and gentlemen from the city, spending the week-end at the landing and places four or five miles up and down the river from that point. After the pies had been sold and refreshments partaken of there was dancing and singing. The evening was very pleasant, with moonlight on the river, and the pavilion was decorated with Chinese lanterns.

During the afternoon and evening on Saturday and all day yesterday the river presented a very animated picture, with sailing yachts and motor boats constantly moving upon its surface. As usual on Monday morning the Oceanic brought about 200 people to the city this morning after a delightful weekend at their favorite resort. The steam yacht Dream and the Dahinda were at Carter's Point this morning, and Commodore Gero's yacht at Public Landing.

## IN HONOR OF THE HEROIC LAD'S ACT

Monument to Young Fulton  
and Other Local Heroes

### CLERGYMAN'S SUGGESTION

Rev. Mr. Sampson Thinks Mayor  
Might Name Committee in Mat-  
ter and Take Charge of Fund—  
Moral in Lesson of Self-sacrifice

To the Editor of the Times:

Sir,—There was interest yesterday in its last resting place the body of "Sydney Fulton," who on Thursday last, gave his life in a brave attempt to rescue his companion and friend from drowning. Might there not something be done by the citizens of St. John to recognize the moral worth of this act of true heroism? There is a splendid and costly monument standing in King Square to commemorate another such act of nobleness, and while no doubt there are many of our citizens whose lives give evidence of trust heroism by their loving sympathy daily expressed, who deserve to be remembered, yet it seems to me that young Fulton's attempt to save the life of his companion ought to receive some special recognition on the part of the citizens of St. John.

It has been successful there is no doubt that he would have received the Royal Humane Society medal and possibly other honors, had he not been a public testamonia. Why should not the name and act be remembered with gratitude and respect now that he sacrificed his life?

I do not suggest any such monument as was erected to the memory of "Young" in King Square, but could not some special monument be designed and erected in some public place in which the names of all our St. John heroes might be engraved who have given or who might give, their lives under similar circumstances.

In the town from which I came, in Devonshire, England, there stands a monument erected in memory of those men who fell in the battles of Trafalgar and Waterloo, who were native of the town and the names of the men are read with respect and reverence. Often have I seen the hats of men lifted as the monument is passed. Could there not such a monument be designed and erected in St. John on which would be inscribed the names and acts of which we have every reason to feel thankful and proud?

I shall be glad to do what I can to help forward any memorial that has for its object the commemoration of all such noble deeds of true manliness in our city. I would suggest that His Worship the Mayor name a body of three or five gentlemen to consider the nature and character of such a memorial monument and also to gather a fund to defray the expense.

I am very sincerely,  
W. H. SAMPSON  
Rector of St. George's Church

## ST. JOHN MEN AWAY TO GATHERING IN TORONTO

A group of St. Johnmen left last evening by the C. P. R. express to take part in an interesting convention in Toronto. The sales managers and traveling representatives of Ames-Holden McCready, Ltd., are gathering in Toronto today and will be the guests of the company during the whole week. During this time they will have an opportunity to inspect the three factories of the company and watch the manufacture of the stock they sell, and at meetings which will be held during the week they will exchange views on trade matters of mutual benefit.

There will also be time for entertainment and the men are looking forward to an enjoyable week. W. M. Angus, manager of the market branch, left last week to be present at the convention, and those who left last evening include J. E. Peirce, A. B. Matheson, G. E. Davies, H. C. Simmons, T. E. Akerly, S. C. Mitchell, W. A. MacRae and W. T. McLeod.

### THIS WEEK'S BALL GAMES

The games to be played this week by the Greys are as follows—St. Croix at St. John, Monday; and Tuesday, Fredericton at St. John, Wednesday; St. John at Fredericton, Thursday; Fredericton at St. John, Friday and Saturday.

This is a critical week in the New Brunswick and Maine League. The race is very interesting and close and should the Marathons be able to hold their own with the snappy St. Croix team today and tomorrow, and the Bangors play the ball that they have been playing the last week, it would put the Marathons in the lead.

A new catcher, Flaherty, was expected on today's train and to play in today's game. This will strengthen the Marathons in their weak point. Bien worked very well on Saturday, but he is still lame and for the present the Marathons require a new man to fill in. Tarbell was to pitch today's game.

Tomorrow the grounds will be thrown open again to the children and through the kindness of Ex-Alderman Frank L. Potts, the Artillery Band will play a choice programme of music. The band will parade from the square to the grounds and all the children are invited to be present. Invitations have also been sent to the commissioners and all the clergymen in the city, also the judges. It is to be hoped that as this is the last children's day that they will witness a splendid game of baseball.

### DEATH OF JAMES BOGLE

The death of James Bogle, son of the late James Bogle, occurred at his home, New Jerusalem, Queens Co., on Friday morning, July 18. Mr. Bogle, who was single, was a well known and prominent farmer and will be much missed by many friends. He is survived by four brothers—Samuel M. Eastport, Mr. Thomas of St. John, William of Lancaster and John, who, with one sister, Miss Eleanor, resides at New Jerusalem. The funeral took place on Sunday from his late home.
