Eczema Is Only Skin Deep

Proven by D. D. D.

A few skin troubles originate in the

blood. But very few. Dr. Evans, Ex-

Commissioner of Health and a famous

writer on medical subjects, says:

"We shall begin to make headway

with skin disease when we learn two things: first that skin disease does not come from impure blood; second, that so-called blood purifiers have no such action."

Get busy then and clear up your skin.

Stop that itching and burning. Drive out those pimples.

Make up your mind to start now and

give yourself a smooth, velvet complexion.

You can do it with the aid of the

wonderful D. D. D. Prescription—a cooling, refreshing lotion—not a salve or ointment—it soothes your tender skin, opens the pores, drives out the old impurities and gives you a skin like a baby's, smooth and clear.

All druggists have D. D. D. We sell

it on a positive no-pay guarantee. You don't risk a cent. Don't suffer another day. Call at our store today. Ask also about D. D. D. Soap—best for tender skin.
